ACCIDENTS ARE SOMETIMES BENEFICIAL

By accident the Pine Grove people are to have an opportunity to listen to the Apollo Concert Company on April the 10th at Pine Grove Grange hall.
Through a mishap in train connections the Pacific Lyceum Bureau was compelled to have a missing date for this concert company. The manager wrote to the hall committee at Pine Grove offering them this company, saying:
"We would rather lose \$75 than \$100."
This company is entirely too large in numbers and too high priced for a small house, and if lovers of good music and concert entertainment desire a treat, they may never again have an opportunity equal to this at Pine Grove.
It is said that this company carries with it a whole wagon load of different musical instruments. Some of its artists hold the World's Fair Medal as the best soloists on the trombone and banjo. We almost wish we lived at Pine Grove so we could attend this concert.*

The rise in the river has made it possible for the Wind River Lumber Company to resume operations, the mill starting up Wednesday.

Easter Sunday will be observed in an appropriate manner by the Methodist Sunday School. A dainty Easter souvenir will be given each scholar. A special offering will also be made.
The Ladies' Aid Society will hold an Easter Food Sale at the hotel on Saturday afternoon.
