FRANKTON

V. R. Absten visited friends at Husum, Wash., for a few days last week.

Miss Lena Baker was called to Portland Saturday by the death of her little nephew.

The intermediate and primary grades of Frankton, together with Columbia school, had a delightful picnic on the banks of the Columbia last Thursday.

The Misses Cora Clarkson, Edna Merchant and Davidson and Mrs. W. T. Eddy went to White Salmon Monday to engage in strawberry packing.

Mother's Day will be observed Sunday afternoon at Frankton. Rev. Parsons will preach at 3:30. Bible school will start promptly at 2:30. Everyone, both young and old, is cordially invited to attend these meetings.

At the recent meeting of the school board J. E. Stubbs was chosen to wield the rod over our school another year. This

will make six consecutive terms for Prof. Stubbs at Frankton. During the past five years our school has progressed rapidly under his direction.

Alderbrook was the scene of a merry party Saturday night, when Mr. and Mrs. J. R. Nickelsen entertained the Frankton high school and Prof. and Mrs. J. E. Stubbs. The evening was spent in games and music. A delicious lunch was served.

OAK GROVE

V. A. Rahlis of Portland is visiting his brother, R. A. Rahlis.

The West Side Tennis Club Dance, which was held in Heilbronner Hall last Friday was well attended and was a success in every way.

Mrs. C. N. Ravlin met with a painful accident last week, having the tip of her forefinger bitten off and her thumb badly bruised while feeding their horse.

It is certainly a pleasure to know that Mr. Rahlis' boast that it rains every time he starts to irrigate his berries is not an idle one. That rain Sunday was a fine one.

The vanguard of the strawberry pickers has arrived for several of the earlier patches. The larger number of the growers, however, will not begin to pick in any quantity for ten days or two weeks as yet.

got the contract for the concrete work which he will start some time this week.

M. D. Hicks of Hood River is going to start clearing on his 40-acre tract south of the Chapman & Sherrard place this week.

The game warden who has charge of this part of the country is inspecting all irrigation ditches which take water of Neal Creek.

Messrs. Chapman and Sherrard of Portland spent two days last week on their place. They burnt about 40 acres of brush and expect to clear some of this land next Fall.

LADIES ARE ALSO TO GO TO PORTLAND

A meeting of the committees which are arranging the trip to Portland next week Wednesday held a meeting yesterday at which it was decided that ladies will also be taken along. Luncheon will be taken with the Ad Club at the Multnomah Hotel. Railroad tickets will be good returning as late as Friday, May 31, giving an opportunity to spend Decoration Day in the metropolis.

It is absolutely necessary that all those wishing to go should notify Secretary Scott of the Commercial Club and secure tickets by next Monday. It is expected that a large delegation will attend.

Mr. and Mrs. H. Montague Sidney are spending a few weeks in Portland. They are having an elaborate home, equipped with all modern conveniences, constructed on their ranch above Fir.
