

Announcement Extraordinary

It has been definitely proven that the residents of Hood River and vicinity know bargains when they see them. *The rush and onslaught on the Groceries, Dry Goods, Hardware, Drugs, Shoes, etc., with the opening of the doors last Saturday was terrific.* There is satisfaction in the knowledge that no one was disappointed. Every one found bargains according to his or her needs, for every nook and corner is just crammed full of *real bonafide bargains.* The same spirit has had full sway up to the time of this paper going to press—eager people *buying, buying, buying.*

In your anxiety to load your baskets with the Groceries, don't forget that there are other departments viz:--Shoes, Dry Goods, Hardware, Paints, Drugs, Jewelry, etc. You cannot afford to overlook anything. For an idea of prices please refer to your last weeks paper. Great as the rush has been, it has not spoiled the lines of merchandise, nor has it made any serious inroad. In a stock of general merchandise of the size and magnitude of this
