

FOLLOW THE LINE OF LEAST RESISTANCE

Resistance becomes an obsolete word in any attempt to apply it to this Great Sale, it works just the other way around. You don't have to be urged to save money--you do that instinctively. We are offering you the best medium for securing big values at small cost ever known in this vicinity. Thousands have already availed themselves of these unprecedented opportunities. It is your misfortune as well as your fault if you do not

Bigger Brighter Than Ever Before

NEW CLOTHING, NEW DRESS GOODS, AND MEN'S FURNISHINGS HAVE BEEN RECEIVED AND ARE BEING RUSHED ON SALE AT THE SAME CUT PRICES

THE RAZAMAZOO RAZZLE

Has proven one of the most popular features of this justly popular sale. If you have not already ascertained what fortune has in store for you don't fail to do so this last week. Hundreds of useful and necessary articles are included in this offer, taken from all parts of the stock. Nothing worth less than ten cents and many things of 50c and \$1.00 value. Hundreds have been benefitted and amused. It has taken almost the entire time of one person to keep even with the demand in this section.

Final Week Price 89c

KOMPETITION KOMPLETLY KRUSHED

The magnitude of the price cutting on the well known high quality of the merchandise carried by Morlan & Lathrop has swept all opposition aside. Competitors stand appalled at the havoc the adjuster has made and will continue to make for the final week of the Great Sale. Although we are reasonably sure of accomplishing all and more than we originally set out to do, we cannot entertain any thought but that of unqualified success. We will force prices to the very limit and literally

Dr. E. L. Seabee is remodeling his residence by changing the roof, building a porch on two sides of the house, installing an entirely new plumbing system, adding a fireplace and two bedrooms.

The Davidson Fruit Company, moved its office into the new quarters the last of the week. With the completion of the addition to its cold storage plant, the company now has a total storage capacity of about 135,000 boxes. With the completion of the other storage plants now under construction it is estimated that the total storage capacity in the valley will be between 600,000 and 700,000 boxes.

Walter McDougal, of Chicago, has one of the finest young peach orchards in the Hood River valley. Mr. McDougal gave some of his friends the liberty to go into the orchard and get what peaches they desired to use but it appears that some strangers took advantage of the situation and ruined many of the trees. Peach trees are tender and great care should be used in gathering the fruit so as not to injure the trees. Mr. McDougal, who has been spending his vacation on his ranch, returned to Chicago the last of the week.
