LADIES OF UNITARIAN CHURCH PLAN A BAZAAR
The Women's Alliance of the Unitarian church of this city will hold a bazaar during the first week in December, the date and place to be announced later. The ladies will not make the useless notions so often seen at such bazaars, but are trying to secure practical articles which, even though the times are hard, people will buy because they are useful.
The ladies of the Alliance give the bazaar in order that Hood River may have a church of liberal faith, and feel that there are many friends of the church in this valley living out too far to attend who would be glad at this time to assist by sending some fancy or useful articles to this sale, thereby showing a right spirit and love for a church which cannot live without their cooperation. By doing so they can prove their love for a faith we cannot claim without a true sacrifice. Any article may be sent to
MRS. W. M. STEWART,
Chairman Bazaar Committee.

"The question of the abolishment of capital punishment was fairly presented to the voters of the state and they made it plain that they are in favor of hanging," said he governor. "While I am, of course, disappointed in the result, I have no complaint to make or criticism to offer."
"I fought for the abolishment of capital punishment because my conscience dictated such action. I have always been opposed to it, and always will be."

American Woman Is Losing Her Slenderness

By CARL E. ACKERMAN, Editor of the Photographic News

FROM tall, slim, girlish princess to big, broad beamed Fatima—that is the tragic future in store for the American woman. She is rapidly approaching the stage when the "type" will appeal chiefly to the man who is apt to measure beauty by quantity rather than quality.

THE AMERICAN WOMAN IS LOSING HER SLENDERNESS. AUTOMOBILES, HIGH LIVING AND ALL THINGS THAT GO WITH THIS MONEY MAKING AGE HAVE BROUGHT ABOUT A NEW TYPE OF AMERICAN WOMAN.

It is the ABNORMAL CONDITIONS OF LIFE surrounding the American woman of today which are responsible for her increased girth. In plain, blunt English, she EATS TOO MUCH AND WORKS TOO LITTLE, and so long as she does these two things she will continue to become stouter.
