## SPRING WEATHER IDEAL FOR CROPS

Thus far the spring weather has been ideal for the fruit crops of the Hood River Valley. The recent cold spell has checked the sap flow in a marked manner and reduced danger from future frosts to a minimum.

The strawberry fields are in prime condition for this season of the year and indications are for a bumper crop. The acreage will be practically the same as that of last season.

Fruit trees bear every indication of a full crop and never appeared more thrifty than they do now. Orchardists are greatly encouraged over the season's prospects.

## Unitarian Church

Next Sunday's services follow: At 11 o'clock the series of doctrinal sermons will be continued on the subject "The Miracles of the New Testament." What is the attitude of modern Biblical scholarship toward the miracles? Is it of great importance whether or not Jesus performed miracles? Does Christianity stand or fall on the fact of whether Jesus did miracles? Are we Christians if we do not believe in the miracles of Jesus? The soul of Christianity. At the Young People's service at 6:30 special music will be rendered by the young people. Will McGuire and Joe Johnson will render a violin-cornet duet and Miss Alberta Staten will give a piano solo. Good hymn singing will be the order of the evening. Mr. MacDonald will read a Scotch dialect story. These services will be made as attractive and helpful as possible. All are invited.

## COLUMBIA RIVER ROAD NOW ASSURED

Construction of the Portland-Hood River road without further delay was assured last week when the O-W. R. & N. conceded the necessary right of way in Multnomah county, where the greater part of the construction work remains to be done. County Judge Cleeton of Multnomah county expressed himself as follows following the inspection of the proposed route:

"We are more than pleased with the generosity of President Farrell and his associates. They told us frankly that they were going to give us the required space for the construction of the road if the thing were possible, and they kept their promise. We are now in a position to build the road with a maximum grade of 7 per cent, and we believe the expense easily can be kept within the estimate of \$150,000."

County Surveyor Holbrook is fully as enthusiastic as Judge Cleeton. "The concessions made by President Farrell yesterday will mean an expense of \$150,000 to the railroad when they begin to double track the Columbia River system," he said. "That means real money to them, and it indicates the extent to which Mr. Farrell was willing to go to help us. The whole project hinged on the attitude of the company would assume with regard to the situation at Old Tooth Mountain, just east of Bonneville. The cliffs at that point drop off into deep water and the railroad already has spent a large sum making a fill to the depth of 75 feet on which the tracks were laid. When the double track is built the railroad would find it most convenient to occupy the space now left between the cliffs and tracks, rather than to make the fill larger. However, Mr. Farrell consented to give us the right of way next to the cliffs and to fill in the river to make extra room when it is needed."

"If the railroad officials had refused us this concession, the only alternative would have been to go over the mountain at a 19 per cent grade, which would have been entirely impracticable and the project would probably have been abandoned."

All other points along the route had been practically conceded to the county by the railroad officials before the trip was made, including the difficult rock work at Multnomah Falls and Oneonta. In all about five miles of the O-W. R. & N. right of way will be occupied by the new road.

St. Mark's Men's Club, 30 members strong, enjoyed a supper and social evening at the Mt. Hood Hotel Monday evening. A delicious four-course supper was served after which a short business meeting was held. A constitution and by-laws were adopted and officers were elected as follows: D. E. Rand, president; A. P. Reed, vice president, and R. B. Bennett, secretary. Murray Kay presided during the evening and introduced Rev. B. A. Warren of The Dalles, who gave an entertaining and helpful talk. This was followed by vocal numbers of Messrs. Rand and Sieg, both of which were much enjoyed.

## MEN'S CLUB HOLDS BANQUET

The next meeting of the club will be on Monday, May 5, and will be in the nature of a reception for the new minister, Rev. Mr. McNamara.

## OBITUARY

## William Ehrck

William Ehrck, aged 68 years, pioneer and wealthy apple grower of Hood River, died in Portland, Friday, March 28. The remains were shipped to Hood River for interment.

Mr. Ehrck was born in Germany and emigrated to America in 1872 and settled in Illinois where he spent several years farming. He moved to Oregon and came to Hood River in the year 1877 and took up a homestead at what is now known as Odell and engaged in general farming and later entered the fruit growing industry and by thrift and economy forged rapidly to the front and soon became one of the leaders of the valley. The deceased was one of Hood River's most honored and respected citizens.

Mrs. Ehrck died about two years ago and there were left of the union five children: Mrs. J. H. Egert, W. C. and O. H. Ehrck of Hood River, Mrs. J. G. Hendon and Mrs. J. McFarland of Portland.

Mr. Ehrck was one of the organizers of the National Apple Company and a heavy stockholder in the concern. He was a member of the Lutheran church and lodge of Elks.

The funeral services were held at the Pine Grove church Sunday, under the auspices of the Elks' lodge. Rev. Troy Shelley officiated at the services. Interment was made in Pine Grove cemetery.

We have some good values in Camas Prairie hay lands. B. E. Duncan & Co. 13-14c
