

ODD FELLOWS AND REBEKAHS ATTEND

A full quota of delegates from the local Odd Fellow and Rebekah lodges attended the session of the Grand Lodge held at Medford last week and returned reporting a pleasant and profitable time. Idlewild Lodge of this city was represented by Earl Noble, A. R. Crump and G. W. Thomson. Delegates from Laurel Rebekah Lodge of this city were Mrs. Ashley Wilson and Mrs. W. H. Corey. From Kemp Lodge of Odell R. H. Kemp and O. H. Ehrek went as delegates, while Hazel Rebekah Lodge of Odell was represented by Mrs. Elizabeth Eggert and Mrs. Effie Hagey. W. S. Gribble was a delegate from the lodge at Mt. Hood. The sessions continued from Tuesday to Thursday.

MERCHANTS TO CO-OPERATE

Membership of League Reaches 40 and Helpful Spirit is Shown
The Hood River Business Men's League reports a very enthusiastic as well as a large membership, there being about 40 who have so far signed up.

The object of this association is to promote harmony and unity of action among its members, and to work together for anything that will benefit the community and against anything that will be a detriment. The valley merchants are heartily in favor of the organization.

Brief News of the Week

The opening of a new fissure in the crater of Vesuvius has caused great alarm at Naples.

The portion of the Chinese loan issued in Germany was oversubscribed five times.

The initiative and referendum resolution which recently failed of passage in the lower house at Springfield, Ill., is to be rewritten and given another chance before the legislators.

The breech block of a 4.7 inch gun at Fort Moultrie, defending Charleston harbor, was blown out in target practice. Privates Baxter, Christina and Dalton of the coast artillery corps were killed and nine men seriously injured.

A temporary balcony in the Central high school building at Akron, Ohio, collapsed and 100 boys and girls were thrown 20 feet to the floor. Fifteen students, the majority of whom were girls, sustained broken arms and legs. Candidates for the police force of San Francisco must possess the same physical requirements demanded of volunteers for the United States army. This fact debars the appointment of three police women provided for by the San Francisco board of supervisors.

At the Northern Baptist convention in Detroit, 25 new missionaries were appointed for foreign fields. Women delegates have been given the right to hold places on nominating committees and the privilege of holding office, which they regard as an important victory. A high pressure cylinder casting blew out of the port engine on the torpedo boat destroyer Stewart at a speed test near San Diego, Cal., killing two men and seriously injuring one man.

Stockmen in parts of northern and central California have on their hands about 245,000 head of cattle and sheep which they are unable to feed because of two years of drought. The government will not allow them to graze their stock temporarily in the Yosemite National park, and many of them are moving their droves temporarily out of the state.

People in the News

Joe Rivers will fight Champion Willie Ritchie in San Francisco on July 4. Pope Plus has recovered from his recent illness and resumed his regular routine duties.

Colonel Roosevelt has accepted an invitation to speak at Buffalo, N. Y., on Monday, June 2, at a direct primary rally under the auspices of the Progressive party.

His own fight for exoneration from charges of immorality won, Lieutenant Governor Barrett O'Hara has announced at Springfield, Ill., that the white slave and starvation wages committee of the state senate, of which he is chairman, will again become active in Chicago.

The death has been reported at Boston of Frederick T. Moore in Valparaiso, Chile. Moore fled from Boston in 1898 with \$53,000 belonging to the National Bank of Commerce of Boston, of which he was assistant receiving teller. He was arrested, but the courts refused extradition.

The name of John Barrett, director general of the Pan-American union, is being considered by President Wilson for appointment as governor general of the Philippines to succeed W. Cameron Forbes. It is said that the salary of \$20,000 did not appeal to W. Morgan Shuster, to whom the appointment was first offered.

The News prints strawberry tickets.

LOCAL TEAMS TIED IN CHAMP. SERIES

R. H. E. Hood River . . . 14-14-5 Hood River Heights . . . 5-4-7

In a game marked by hard hittings and loose fielding Hood River defeated Hood River Heights Sunday by a score of 14 to 5. Hart, the star pitcher of the Heights, was not on the mound and Tate and Blagg, who substituted for him, were no puzzle. Stockton pitched a steady game, allowing but four hits, ragged fielding being responsible for most of the Heights runs.

This was the second of a series of five games to be played for the cup donated by the E. A. Franz Company. Each team has now won a game. The third game of the series will be played at Columbia Park grounds Decoration day, Friday, May 30. Each team will show its full strength so that a hard fought game may be expected.

WILL FURNISH CIDER YEAST

It is hoped by the bacteriology department of the Oregon Agricultural College experiment station that next year selected strains of yeasts for the manufacture of ciders and vinegars can be furnished to farmers and others interested in the industry. The department has done considerable work with yeasts in the past and perfected them for rapid and complete fermentation in making vinegar and cider.

Children Want Oregon Saved

The Battleship Oregon will not be used as a target by the Navy Department if this state can help it. Resolutions strongly protesting against this action have been adopted by many organizations and a petition, as long as the famous battleship itself, has been signed and forwarded to President Wilson by school children asking that the Oregon lead the naval parade through the Panama Canal.

Growers Plan New Concern

A committee of growers, together with Conrad Rose, who was recently defeated for president of the Wenatchee, are considering plans for converting the Wenatchee Produce Company into a co-operative concern. The name will be retained, but the entire plant and organization will be converted to the use and profit of Wenatchee Valley Growers, it is declared.

Wages Declared Not to Control.

New York.—The rate of wages is not the controlling factor in the cost of production and there are manufacturers who should employ more efficient methods before attempting to reduce wages on account of the proposed reductions in the tariff, declared William C. Redfield, Secretary of Commerce, speaking at a dinner given in honor of Secretary of War Garrison by the Hudson County Bar Association.

A daughter was born Friday, May 23, to Mr. and Mrs. J. E. Hart of Mt. Hood.

OPPOSES TARIFF CUT ON FRUITS

L. R. Alderson, of Clarkston, Wash., representing the Lewiston-Clarkston Fruit Agency, this week appeared before the sub-committee of the Senate finance committee at Washington to oppose reduction in the duty on fruits carried by the Underwood bill. Mr. Alderson declared that under the terms of the pending bill a flat rate of 10 cents a bushel is placed on apples, pears, peaches and other fruits, which is materially more than the Canadian rate imposed against fruits, and under this arrangement predicts that Canadian growers will be able to flood New York and other Eastern markets while prices are high and thus crowd out the fruit from the Western country.

He said that the people of the West would like to see fruits move free of duty between this country and Canada, but they objected to American legislation which would give Canadian growers an advantage over American growers in American markets.

OLD BUILDING TORN DOWN

The old Parker building erected here in 1891 by John Parker, was demolished last week by George T. Prather, who will use the old timbers in constructing a barn on his country place in the Summit district. The building has been occupied by a number of the most prominent business establishments of the city. It was occupied by the first postoffice established here. Lawrence N. Blowers, who owns the property on which the old structure was located is contemplating a modern building to replace it.

Cool-headedness and moderation were urged upon the Japanese residents of California at a mass meeting of 4000 Japanese in San Francisco by Soroku Ebata, a member of the House of Peers and of the government party, who is one of a commission sent to investigate the Japanese land-holding controversy.
