Bill Faulkner

William "Bill" Michael Faulkner, 62, passed away Dec. 17, 2014, at home in Gresham, Ore., surrounded by family.

Bill Faulkner

A memorial service is scheduled for 11 a.m. Saturday, Jan. 10, at Anderson's Tribute Center, 1401 Belmont Ave., Hood River, with Military Honors rendered by the Oregon Honors Team.

Bill was born April 8, 1952, in Taft, Calif., to John S. and Agnes (Cook) Faulkner. He moved with his family to the Hood River Valley and graduated from Wy'east High School — last class in 1970. They called him Billie and Stump when he was a star for the Golden Eagles. He served in the United States Army after high school and upon his honorable discharge lived in Hood River, Burns and The Dalles working as a meat cutter, retiring in Gresham.

He enjoyed being with family and friends, camping, hunting, cooking, barbecuing, sports (ESPN, the Oregon Ducks and Portland Trail Blazers) and working on ancestry and genealogy. He was a member of the Elks Lodge, Moose and the American Legion. He was an officer at the local Elks Lodge in The Dalles and rose to Exalted Ruler. He was actively involved in the charity work done during his time at the Elks.

On Dec. 23, 2006, he married Wendy Struckman and they made their home in Gresham, Ore. They greatly enjoyed the company of neighbors and friends, good food and good drink. Their home welcomed everyone, and good times were had by all.

Bill is survived by his wife, Wendy Struckman, of Gresham; daughter, Kara Manley, of Beaverton, Ore.; son, Wesley Faulkner, of The Dalles, Ore.; sister, Jan Price, of Bend, Ore.; grandchildren Joey, Lexus, Sierra, Madison, Siyra, Annabelle and Kyra; and numerous nieces and nephews that were very important to him; and many friends that he has collected over the years.

He was preceded in death by his parents; brothers Dale Faulkner and Johnnie Faulkner; and two sisters, Wanda Thomas and Barbara Sheek.

Arrangements are under the direction of Anderson's Tribute Center (Funerals • Receptions • Cremations), 1401 Belmont Ave., Hood River, OR 97031; 541-386-1000. Please visit andersonstributecenter.com to leave a note of condolence for family.

Richard Thrun

Richard Thrun, 73, passed away unexpectedly on Dec. 22, 2014, in the city he loved, Puerto Vallarta, Mexico.

Dick was born on Nov. 20, 1941, in Wauwatosa, Wis., to Elroy and Anita Thrun. He was a graduate of Horicon High and also held many athletic school records. Prior to joining the Army he attended the University of Wisconsin-Madison and played football for the Badgers and also the Berliner Bears Army team in Berlin, Germany. It was here he met his first wife, Erika Thrun. In 1963 they moved back to the U.S. with first child, DeAnna Hendricks.

Dick Thrun

Dick's career began as a local policeman. But his part-time job working for Modern Woodmen of America uncovered his true gift of helping others. Modern Woodmen was honored to have Dick move from representative to supervisor to agency manager. He enjoyed a career that spanned 30 years, winning numerous awards, recognitions and trips. The position of agency manager moved Dick and his family to central Minnesota.

In 1981 Dick met Mary Zack and a new blended family was created. Residences in Hastings and Prescott hold many fond memories. After Dick's early retirement, new adventures began. Although their permanent address was Hood River, Ore., full-time RV living took them on countless and memorable journeys. Loving warm weather in the winter they traveled to Hawaii for several years. However, Puerto Vallarta, Mexico, became his winter home for the past 25 years.

Dick was preceded in death by his son, Derek Thrun; parents Elroy and Anita Thrun; siblings Curt Thrun and Roxy Schraufnagel; and grandsons Brandon and Devon Lauwagie.

He is survived by his wife of 29 years, Mary Zack. Children and grandchildren include: DeAnna (Scott) Hendricks, Jenny, Alex and Katie Hendricks; Kirk (Sherie) Zack, Collete and Colson Zack; Dan (friend Pam Borst) Thrun, Katie Kuper and Tanner Thrun; Laura (Ross) Kropp, Samantha and Kasey Kropp; Katharine (Jesse) Riewe, Jake and Mason Lauwagie; Rich Thrun and beloved dog Lacy. Dick is also survived by siblings Sharon (Bob) Wieshoff, Elroy (Carolyn) Thrun and nieces and nephews, Tracy Thrun, Carrie Brooks, Tim Thrun, Renea Mueller, Mike and Corey Moede and countless family and friends.

A celebration of Dick's life will be held at a later date. Donations to your local food shelf/bank in his memory are preferred.

Braceros in the Pacific Northwest exhibit comes to Discovery Center

THE DALLES — Columbia Gorge Discovery Center and Museum presents Culture a la Carte, an evening presentation on the topic of Braceros of the Pacific Northwest, Saturday, Jan. 31, from 5:30 p.m. to 8:30 p.m., 5000 Discovery Drive, The Dalles. Doors open at 5:30 p.m. Enjoy an optional dinner for \$15, served at 6 p.m., followed by the free presentation at 7 p.m.

Dr. Roberto de Anda

The free program will be presented by Dr. Roberto M. de Anda. He will discuss the political and economic forces in the United States and Mexico that led to the creation of the Bracero Program in the early 1940s. Particular attention will be paid to the experiences of braceros in Hood River during World War II. He will also explore how braceros' employers contributed to the growth of the Mexican-origin population nationally as well as in the Pacific Northwest.

Dr. Roberto M. de Anda is Acting Director and Associate Professor of Chicano/Latino Studies Program at Portland State University. After doing graduate work in Latin American studies at the Universidad Nacional Autónoma de México (UNAM), he earned a Ph.D. in

sociology at the University of Arizona. His research interests include labor market inequality among Mexican-origin workers, bilingual education and immigration. He is currently working on a biography of Ernesto Galarza (1905-1984), a pioneer in the study of braceros in the United States. Professor de Anda has published several book chapters and articles in professional journals; he has also edited two editions of his book "Chicanas & Chicanos in Contemporary Society."

The optional dinner will include eggplant parmesan, chicken parmesan, fettuccini, garden salad, garlic bread, and chocolate raspberry cheesecake. Cost for the dinner is \$15. The presentation is free.

The exhibit "Bittersweet Harvest: The Bracero Program 1942-1964" will be open that evening, free to Culture a la Carte participants. You are welcome to spend a little time reviewing the 15 bilingual banners, listening to the audio recordings and learning about the Bracero Program.

Reservations are required by January 28. For information or reservations, call 541-296-8600 x 201. Dinner reservations and payment

may be also made online at www.gorgediscovery.org.

The Exhibit

"Bittersweet Harvest: The Bracero Program 1942 - 1964" is a moving bilingual exhibition organized by the Smithsonian's National Museum of American History. It examines the experiences of bracero workers and their families, providing rich insight into Mexican American history and historical background to today's debates on guest worker programs.

The exhibition combines recent research, powerful photographs from the Smithsonian's collection, and audio excerpts from oral histories contributed by former contract workers.

The Bracero Program of 1942-1964 allowed 4.6 million Mexicans to work in the U.S. over the program's 22-year existence. The benefits and pitfalls are described in this traveling Smithsonian exhibit that comes as some U.S. lawmakers consider a new Bracero worker program as part of immigration reform.

Sponsored locally by U.S. Bank and the Jackson Foundation, the exhibit "Bittersweet Harvest: The Bracero Program" will be on display in the Columbia Gorge Discovery Center's River Gallery through February 15, 2015.

For more information, phone (541) 296-8600 x 201, or visit www.gorgediscovery.org.
