Ashley Beard

Ashley Nicole Beard left us way too soon, as a result of rare, incurable brain tumors. She fought an extremely long and brave battle that most would not have been able to bear. She passed away Feb. 19, 2015. Ashley remained positive throughout many surgeries, treatments, setbacks and constant pain. She was and will remain an inspiration to many, demonstrating her absolute faith and indomitable spirit.

She is survived by her son, Hayden Bakes (who resides in Las Vegas with his father, Gianni Bakes, step-mother Ashley Thompson, two sisters and baby brother); parents Megan Schroeder (Irish) and Tony Beard, along with their spouses Mike Schroeder and Kim Beard; her sisters, Zoe Carrier and Jackie Boliba; and her brother, Jag Beard. She is also survived by her grandparents, Mike and Christy Irish and Patty Wilson (Beard); her loving aunts, uncles, cousins and many, many friends who all faithfully followed her journey. Ashley's lifelong friend, Roxanne Wheeler, was at her side as often as she could be.

Ashley was born Oct. 2, 1988, in McMinnville, Ore., and was a resident of Vancouver, Wash., The Dalles, Ore., Astoria, Ore., Youngtown, Ariz., and Las Vegas, Nev.

She attended Clatsop Community College, where she earned her associate degree (while enduring radiation and chemotherapy) and was a junior at Portland State University, where she continued to work online toward a degree in criminal justice until such time that she was no longer able.

A beautiful spirit; a loving mother; a cherished daughter, sister, granddaughter; and a beloved friend. In loving memory of Ashley's fondness to pay it forward, we have established the Hayden Bakes Savings Account. Contributions may be made in person or mailed to: Columbia State Bank, 316 E. Third St., The Dalles, OR 97058. For more information contact Megan, Tony or Grandma Christy.

GO! Competition planned

Gorge Owned (GO!) is pleased to introduce the first GO! Local Business Plan Competition in conjunction with its annual Earth Day event. Both start-ups and existing businesses in the Gorge are invited to apply. Because this is a social impact business plan competition, GO! is seeking entrepreneurs and businesses that have a triple-bottom-line mission that includes care for the planet, care for people, and economic viability. Although all scales of businesses are welcome to apply, they are especially seeking entries from businesses that gross less than \$250,000/year in revenues.

A committee of local business experts will review all submitted business plans and choose up to five entries to present their idea in person at the Gorge Owned Earth Day event to be held on April 22 (details of Earth Day are still in preparation). Short pitches will be made to the audience of the business
