Certified Operator/ Water Treatment Shift Operator Assignment City of The Dalles Public Works Wicks Water Treatment Plant
Salary: \$2928- \$4624 plus benefits
First Review: March 25, 2015

The City of The Dalles Public Works Department is currently recruiting for the Certified Operator position assigned to shift schedules for the Wicks Water Treatment Plant. The person in this position performs chemical/physical laboratory analyses necessary to the operational process control of chemical coagulation, flocculation, sedimentation, and filtration processes in a Class 4 conventional water treatment plant. Performs chemical/physical analyses for water system compliance, distribution system water quality investigations, and municipal watershed source water monitoring. Assists in the evaluation of alternative water treatment chemicals, processes, procedures, or technologies. This position works 8- and 12-hour shifts including holidays and weekends, as assigned.

Qualifications
Education/Experience: High School Graduate or equivalent is required plus at least one year of post high school education. One (1) years prior experience in an Oregon Class 2 or higher water treatment plant, laboratory examinations and testing, and mechanical operations and maintenance is desired.

Ideally the applicant will possess an Associate or Bachelor Degree or have significant college-level training in Water Treatment Technology, Chemistry, Biology or an environmentally related field. Additional training in mechanical operations and maintenance for pumps and other equipment related to water treatment operations is also desired.
To Apply
Applications are available online at www.thedalles.org or at City Hall and must be submitted on the City of The Dalles Application Form and returned to the City Clerk's Office at City Hall, 313 Court St., The Dalles, OR 97058 no later than Wednesday, May 25, 2015 at 5 pm. For first review Equal Opportunity Employer

CHIEF DEPUTY ASSESSOR
Klickitkat County Assessor Goldendale, Washington
