lighted the play of senior Kam Walker, who he said pitched "very well," giving up one run and two hits over six innings, while striking out six batters. He also scored HRV's only run of the evening.

Walker didn't pitch on Wednesday, but had a good day behind the plate, singling twice and getting walked twice in four at-bats. Harjo said that starting with Tuesday's game, Walker got on base eight times in as many at-bats.

Senior Ryan Ward also had an impressive outing, leading the team with three hits in four at bats and scoring two runs. Ward was also

credited with a win on the mound, striking out nine Gladiator batters in five innings and allowing two hits in what Harjo described as "an excellent pitching performance."

Harjo also highlighted the play of senior Riley Van Hoose, who had a walk-off homer in the bottom of the seventh inning, getting the win for HRV and preventing the game from heading into extra innings.

"Riley Van Hoose has worked extremely hard, and it's paying off for him," Harjo noted.

HRV led the game with three runs in the first inning, then gave up two runs in the fifth and one in the sixth, resulting in a score of 3-3 going into the seventh before Van Hoose delivered the coup de grace to the Gladia-

tors. Harjo said HRV was effective at making solid plays as they game's score tightened up, which helped the Eagles get the win.

"We just kept trying to make routine plays on defense and put good at bats together," he explained. "A huge momentum changer was when Ryan Ward threw (a) rocket to Montana Kurahara on a relay from the right field wall to gun down the go-ahead run for Gladstone. We took that momentum and energy into the bottom of the inning."

HRV was next scheduled to play at Summit on Friday at 5:30 p.m.; results were not available because the game started after deadline. HRV then heads to Wilsonville on Wednesday for a 5:30 p.m. game.

KAM WALKER throws a pitch during Tuesday's game against Redmond. The senior struck out six batters on Tuesday, and has gotten on base eight consecutive times over two games this week.

RECORD BREAKER

Senior Sebastian Barajas (left) broke the school record in discus during Wednesday's meet in Oregon City. Barajas had a throw of 181 feet, 6 inches, which beat the previous school record of 172-1, which was set by Barajas during last year's OSAA 5A State Championship, where Barajas took first in the disc. "To throw that far, this early in the season, is absolutely outstanding," said coach Donnie Herniesen.

Last week, eight teams in the mix for the Monday night Industrial League championship had their first bracket matches in their season-ending tournament.

Spurred on by Jesse Flores and Wally Jaksha, Randy's Painting smashed the higher seed and third-round winners, Buntings, 24.5 to 5.5 points; last year's champs and first-round winners, 3 Fingers Deep, beat Hire Electric 18 to 12, even though Hire's all-star lefty, Greg Mc-

Daniel, almost had enough firepower to get his team the win with big-time scratch 266 and 257 games that culminated in a fine scratch 712 series.

Second-round winner Hood River Supply just squeaked by Your Rental Center, 15.5 to 14.5, thanks to a super effort by Pat Olson, who rolled a huge scratch 740 series. Finally, wildcard winner Ten Pin Destroyers lost to Columbia Hills RV, 7 to 23. This week's final four matches pit Hood River Supply against Randy's Painting and 3 Fingers Deep against Columbia Hills RV. The remaining teams in the league compete in consolation brackets.

Team of the week:

Woody Eskildsen, +178 (829); Lynn Spellman, +136 (793); Sue Spellman, +117 (687); Bernie Keys, +116 (692); Matt Hodges, + 83 (729); 3,730 total pins with handicap

Last week's league action produced another remarkable team of the week. Topping everybody and making the big five for the fourth time this season was Your Rental Center's main man, Woody Eskildsen, who pummeled the pins in the Wednesday night Fraternal League with a nice scratch 667 series. Woody finished this outing a whopping 178 pins over his average.

Next is Lynn Spellman who was simply brilliant in the Wednesday afternoon Colts & Fillies where he fired a huge scratch 748 series. That sparkling effort was 136 pins over his average and it marks the fifth time he's made the fab five this season.

That ties him with the legendary Len Hickman for the most appearances on the team of the week this season.

This is also another first — in fact it's two firsts in one: Sue Spellman nabbed the third spot after crunching the sticks in the Tuesday morning ladies Workshirkers League with a scratch 200 game and 570 series which was 117 pins over her average. This is the first time Sue has made the team of the week and it's the first time we've ever had a husband and wife on the same starting five.

Getting the clean-up slot is all-star Bernie Keys, who really had it all together in the same session where she fired a beautiful scratch 608 series that was highlighted by solid scratch 215 and 213 games. Bernie was 116 pins over her average. Lanky Matt Hodges grabbed the anchor spot on this super squad after rolling a fine scratch 655 series in the Wednesday night Fraternal League. Matt's pro-style big high backswing enabled him to go 83 pins over his average for his night's work. Great bowling everybody!
