## STUDIO TOUR

Here are just a few stops on the 9th annual Gorge Artists Open Studio tour, which spanned four counties on two sides of the Columbia River April 10-12. Laurel Marie Hagner discusses various works, above, at her Glassometry Studio, in Odell.

Above, Carl Annala, Greg Crafts and Nancy Roach, and his cousin Elizabeth See of Trout Lake, below, host artists on Orchard Road. At right, Eliot Road photographers Peter Marbach and Leah Hedberg welcome guests to their studios. Below, Elizabeth See works inside the painting cabin owned by her great-grandfather, Charles King Benton.
