GORGE OWNED NETWORK members and guests listen to start-up business pitches at The Pint Shack on April 23. Five businesses presented their business plans and the audience voted for three to advance to the right to apply for a no-interest loan, in a first-time event for Gorge Owned. Winners were Carpe Via, a personalized travel app developed by Emily Reed of Mosier; the apparel revitalizing company Re-Make of Hood River, and Opa's Goat Grove in Mosier.
