

# State Street Urban Renewal Project

These local businesses would like to thank you and invite you to the ribbon cutting event

When: Friday, June 5th, 4:30 p.m.  
Where: Third and State Street, Downtown Hood River

**CRESTLINE CONSTRUCTION CO.**  
"Committed to Safety and Excellence in Heavy Civil Construction since 1994"

**WE INVITE ALL MEMBERS OF THE COMMUNITY TO ENJOY THE NEW VIEWSHED**

PROVIDED BY THE HOOD RIVER URBAN RENEWAL DISTRICT, THE CITY OF HOOD RIVER AND CRESTLINE CONSTRUCTION.

We all have a revitalized downtown that we can be proud of for years to come. The project was not without its challenges, from bid day to completion there were over 30 substantial changes to the scope of work and an additional 20 plus work change directives made in the field. We want to personally thank all of the property and business owners adjacent to the project. Our team is well aware of the inconvenience of a construction project of this magnitude. We can all be thankful that it is complete! We sincerely hope everyone can appreciate the monumental effort of Crestline, The City of Hood River, and The Urban Renewal District.
