David Dockham

David Henry Dockham passed away quietly in his sleep at Hawks Ridge Assisted Living Community early Friday, May 22, 2015, in Hood River, Ore. Dave was born in Medford, Mass., on June 29, 1936, to Percy Guy Dockham and Genevieve Bierhardt. He grew up in Cambridge, Mass., and graduated from Cambridge High and Latin School in the Class of 1954. He was the recipient of the City of Cambridge Scholarship for admittance to Harvard University, where he graduated in the Class of 1958. He then went on to attend the Wharton School of the University of Pennsylvania - the busi-

ness school of the University.

He soon moved to Portland, Ore., and by 1967 was the executive assistant to the mayor at that time, Terry Shrunck. Later Dave served as the administrator of Hood River County from 1974-1977. The last working years of his life were spent at Sprint phone company as its forecaster, primarily forecasting future demand for phone services. In June of 1963 Dave married Sandra M. Bliven, of Salem, Ore., and their three children survive them both, Mari (spouse Robert) Brown, William and John Dockham. He also has a surviving "second daughter" whom he loved very much, Cathi Shriver.

Dave was preceded in death by all three of his siblings: Elizabeth (Bette) Parker, John Dockham and Genevieve (Jane) Leonard. He had a great love for all of his family in Massachusetts, New Hampshire and Pennsylvania. Despite the distance of many miles, Dave was closely connected with his seven East Coast nieces and their families. Dave was well-known to those around him for consistently advocating for those who couldn't speak up for themselves. Most especially for his son Bill, who has special needs. Dave was also well-known around the Hood River community for his letters to the editor in the Hood River News. He was an avid reader, a fantastic debater/conversationalist and had a great love for both art and music. He also loved playing board/computer games with family members, Monopoly and Scrabble being among his favorites.

A service will be held at 10:30 a.m. Saturday, May 30, at Hawks Ridge, 1795 8th St. in Hood River, with interment to follow at noon at Idlewild Cemetery.

The family requests donations be made in David's name to either the Heart of Hospice, where he used to volunteer himself, or to the Hood River Library Foundation. A book of memories has been set up for Dave at <http://bit.ly/1EEuTe2>. Personal messages/memories may be posted online there. Jensen brothers speak June 13 at WAAAM

Luhr Jensen history is the feature of the June 13 Second Saturday at Western Antique Aeroplane and Automobile Museum.

Brothers Phil and Dave Jensen, who were integral to the company, will give audiences an insider view of just how Hood River came to be known as a fishing lure icon for decades. The Luhr Jensen history talks will be presented twice—11:30 a.m. and 2 p.m.

"We don't usually call attention to our fishing artifacts but they are still an important part of transportation

history," said Museum Director Judy Newman. "How else would you get to the ultimate fishing spot unless you drive there or better yet use a float plane to land on the lake or river itself! Our fishing collection mostly comes from Phil and Dave so we thought it was high time to invite the community for a celebration of our local history."

WAAAM will have its cars and airplanes out and about from 10 a.m. until 2 p.m. including many of the familiar muscle cars that Phil and Dave have driven around Hood

River in years past. By popular demand the restoration shop tour will be given at 10:30 a.m. and again at 1 p.m.

Open 9-5 daily, WAAAM collects, restores, preserves and exhibits airplanes from the Dawn of Flight through the Golden Age of Flight and historically significant cars and trucks from the first half of the 20th century. Located on the Hood River Airport at 1600 Air Museum Road. Admission for adults is \$14, 65-and-over is \$12, kids between 5 and 18 are \$6, under 4 are free.
