*****NOTICE*****
 Oregon Construction Contractors Law (ORS 701) requires that all businesses that advertise remodeling, repair, home improvements or new construction be registered with the Construction Contractors Board. Registration means contractors have a bond and insurance. Home inspection businesses also must be certified which means the inspector has passed a test and must comply with standards of practice and behavior. For your protection, call (503) 378-4621, ext. 4900 to check an inspector's certificate.

Notice to Contractors
 Washington State law (RCW 18.27.100) requires that all advertisements for construction-related services include the contractor's current Department of Labor and Industries registration number in the advertisement. Failure to obtain a certificate of registration from L&I or show the registration number in all advertising will result in a fine up to \$5000 against the unregistered contractor. For more information, call Labor & Industries Specialty Compliance Services at 1-800-647-0982 or check L&I's Internet site at www.wa.gov
