Mercado del Valle returning to Odell

On Saturday, June 20 at 3 p.m., the Mercado del Valle Farmers' Market in Odell opens for the season at Mid Valley Elementary. The Mercado del Valle offers something for everyone with a diverse set of vendors selling locally raised vegetables, fruit, meat, cheese, eggs, honey, and bread. Prepared food vendors will offer hot food and authentic Mexican cuisine. In addition, live music, weekly folkloric dancing and children's activities

create a festive family-friendly atmosphere. The market is open every Saturday from 3-6 p.m. from June 20 until September 26 at Mid Valley Elementary.

Gorge Grown Food Network (GGFN) is excited to announce new programs for children and low-income families at the Mercado del Valle this year. GGFN will be piloting the POP (Power of Produce) Club, wherein every child that attends the Mercado this year will receive a free \$2 token to

spend on fruits or vegetables. Moreover, GGFN has increased SNAP match to \$10 at the Mercado. Any customer using EBT/Food Stamps at the market will be given up to an additional \$10 each week. The Mercado is also a great place to use WIC and Senior (FDNP) Coupons.

The Mercado del Valle is still accepting new vendors in any capacity. There are three ways to sell at the market. A vendor can buy a space at the market for \$10 a

week, could share a space with another vendor for a total of \$15, or sell at the community table for just a small fee.

If you are interested in selling at the Mercado or would like more information, contact the market coordinator Hannah Ladwig at 414-828-3760 or Hannah@gorgegrown.com.

The Mercado del Valle is more than a farmers' market; it's a community gathering space! Every week neighbors and families are

invited to come out to support local farmers and producers, socialize with each other, and learn healthy living techniques. There will be great events at the market this year, including OSU Extension cooking demos, community yoga, zumba, soccer tournaments, and visits from the Hood River Library for market attendees to check out books. No matter your reason for coming, we hope to see you at the Mercado del Valle this year!

'Grave Matters' discussion series continues June 28

We all experience grief and loss at some point in our lives. Even when we have experienced it before or know it's coming, we are rarely prepared for its effects.

And although much has been said and theorized about grief and the grieving process, how we grieve and how we react to loss can surprise and confuse those around us and even ourselves at times.

Deb Lambo (Heart of Hospice) and Anna Lim (cultural anthropologist) will facilitate a conversation that explores different ways of thinking about grief and loss on Sunday, June 28, 4:00pm.

How can we turn grief into something positive? Do

men and women grieve differently? What is anticipatory grief and complicated grief? How can understanding cultural and individual differences in grief and grieving help us as we grieve and as those around us grieve? Is all grief treated equally on a societal level? What is dignity therapy?

Join us in this thought-provoking conversation on grief and loss.

This event is being organized as part of a new monthly discussion series

on death, dying and end-of-life issues sponsored by the Hood River Library. Check the Hood River Library website for future events.

The program is free and open to the public.

For more information, please contact the Hood River County Library District at 541-386-2535, info@hoodriverlibrary.org.
