

# SCHOOL'S OUT — FOR NOW

Photos by Kirby Neumann-Rea

The last few days of school at Hood River Valley High School included these scenes that suggest a continuation of things in Fall 2015. In Senior Hall, where the school hangs photos of each senior for the entire school year, Rutger Bogard and Marco Cuevas take down portraits of the Class of 2015 following the June 5 graduation. Next year they will be seniors, and a year from now someone will take down their photos. Biology students enjoyed sunshine, and a little hard work, in streambed upkeep just below the HRVHS stadium, removing invasive species and preparing the area for planting of helpful trees and shrubs in the fall. Medical assistant Elizabeth Villegas works in the new Student-Based Health Center, which opened June 8-12 for the last week of school, and will reopen for its first full year as an in-school clinic, on the first day of school, Sept. 8.

## PET OF THE WEEK

# Miss Ella loves kids — and the feeling is mutual

This week volunteers at Adopt A Dog have selected Ella as the program's adoptable pet of the week:

WOW! Look how far Miss Ella has come! Ella is about 14 years old and showed up to the shelter topping the scales at 130 pounds! Poor girl was so overweight, she couldn't turn around in the back of the ACO truck to get out. She spent her holding time just lying in her kennel and needed help just to stand up. Walking was no easy task, either, but this girl loves her food, and so that's how we started her on a new exercise regime — we fed her meals to her on the go, so to speak! Yep ... if she wanted nummies, she had to walk over to the volunteer to get 'em!

And now that she is able to

go on walks outside, she's really dropping the weight! Down nine pounds in less than two weeks with us, and there's no slowing her down now! Ella hops right up and prances over to the door (sorta!), ready for her walks! You can see of video of the excitement in action on our website!

It's no run in the park, but Ella is happy and feeling better every day! We even saw her carrying around a toy the other day! Not playing, but tail wagging at her excitement with the possibilities!

We just love this girl! She's great with all the dogs at the shelter, and she loves kids, and kids love her! So much to pet! Her favorite thing to do is follow her peeps around ... never know when a treat

Miss Ella

will drop and she's all about keeping things clean!

Ella is current on shots, microchipped and spayed. The adoption fee for this gem is \$150. The fee to adopt is

charged to recoup standard veterinary expenses. Since many of our dogs are in foster, please call ahead to meet Ella in Odell at the Hukari Animal Shelter, 3910 Heron Drive, Hood River, or call for more information at 541-354-1083.

Adoption hours are Wednesdays, 5-7 p.m. and Saturdays, 9-11 a.m.

You can fill out an application online at our website, [www.hoodriveradoptadog.org](http://www.hoodriveradoptadog.org), or download and scan and email to us at [adoptadog@gorge.net](mailto:adoptadog@gorge.net), or fax it in to 1-877-833-7166. We offer 24PetWatch microchips, which include free registration into the 24PetWatch pet recovery service.

For more information visit [www.24petwatch.com](http://www.24petwatch.com) or call 1-866-597-2424.

## Public forum to discuss Latino Project June 27

The History Museum is looking for community involvement with the creation of an exhibition that celebrates the Latino community in Hood River County. The Museum is hosting a public forum to begin the discussion on June 27. During the forum, representatives from The History Museum will discuss with members of the Hood River County community about what they would like to see included in the exhibition. We want to put the voice of the Hood River County Latino community at the forefront of this process.

Additionally, The Museum is looking for volunteers who

are willing to commit to collect oral and video histories from members in the Hood River County Latino Community, conduct historical research, complete transcription of interviews, and aid with the design, layout, and installation of the exhibition.

Volunteers would begin training for the collection of oral histories in late August and begin collecting them in early September with a finishing date of early December.

For more information visit [thehistorymuseum.net](http://thehistorymuseum.net), call 541-386-6772, or email [hrrhmdirector@gmail.com](mailto:hrrhmdirector@gmail.com).
