

Soroptimist presents trio with 'Live Your Dream' awards

Three Gorge area women have each received a \$1,500 Live Your Dream Award from Soroptimist International of Hood River (SIHR).

Audra Moffett and Angela Velazquez of Hood River and Michelle Knight of The Dalles received their checks the evening of March 11.

The Live Your Dream Awards provide financial assistance to women who have primary financial responsibility for their household and who are enrolled in school to better their economic future.

Since the Live Your Dream Award is not a scholarship, the funds can be used for any educational expenses, including tuition, childcare, transportation or textbooks, said a press release.

Said Soroptimist Kate Dougherty, "We want our community to know that the funds we raise are placed into the hands of real women, working hard to improve their future and the future of their families."

Funds to support the Live Your Dream Awards are

raised each year at events such as the Soroptimist women's film series, "Lunafest, Films about Women, for Women and by Women."

Lunafest, which had been scheduled for April 8-9, at the Center for the Arts in Hood River, has been postponed.

You are encouraged to mail them to the Tsuru for Solidarity headquarters, National Japanese American Historical Society, 1684 Post Street San Francisco, CA 94115, or display them in your homes or businesses as a sign of hope. The cranes folded on Minoru Yasui Day and in the coming months through May 30 will be used to inspire hope and solidarity with all children, families and communities who are being unjustly detained or imprisoned, are under attack or not being treated with the dignity and respect they deserve.

we have had to adapt these events because they serve as the inspiration for activists young and old. But in the spirit of Min Yasui and recognition of our health experts' recommendations we absolutely will err on the side of health and safety.
