MATH TEACHER Wishram School District No. 94

Wishram School District will have an opening for a full-time certificated Math Teacher beginning with the 2020-2021 school year. Our current math teacher is retiring after building a math program that has prepared students so well that we have graduates currently enrolled in engineering programs at the University of Washington. We are launching an expansive search to find the right person to join our team, a person that will build on the academic rigor that she has established in her time at our school. We're looking for candidates who have a passion for improving educational opportunities for rural students and for candidates who are willing to go above and beyond to support students in achieving academic goals. Wishram School is a K-12 school with enrollment of 65-75 students which provides an optimal small school setting and we take great pride in having the ability to provide each student with the skills necessary to be successful.

Application forms can be downloaded at www.wishramschool.org

Completed applications will include a Wishram School District No. 94 certificated employment application, a current resume, and a cover letter explaining your current skills, and how they will be utilized to provide maximum benefit to Wishram School District students.
