## RESULTED IN MURDER.

Saloon Smashing in Kansas With Fatal Results—Raiders Were Masked Men.  
Leavenworth, Kan., Feb. 21.—Twenty masked farmers, armed with shot-guns, attempted to raid a saloon at Millwood, a small place 14 miles north of here, last night, and in the melee that followed, Mrs. Rose Hudson, wife of the bartender, was instantly killed, her head being completely blown off. William Webb, one of the raiders, was shot in the arm, and two or three others were slightly hurt. One hundred shots were fired. The town is in a fever of excitement, and further trouble is expected.  
The saloon was run by Mrs. Michael Lochner. She had been warned to close the place by Monday, but refused. At 10 o'clock last night 20 men, all armed and wearing handkerchiefs for masks, approached the saloon. Two of the number entered and ordered drinks. Bartender Hudson had scarcely set the glasses on the bar when the men gave the signal. Immediately the door was burst open and the masked men rushed into the place. Half a dozen shot-guns were raised to the ceiling and fired, apparently to warn the saloon keeper that they meant business, while two men approached Hudson with leveled guns. Hudson grabbed the barrels of both guns for an instant and then fell to the floor. The guns were discharged as he fell, the discharge from one striking the wall and that from the second piercing the stove.  
Mrs. Hudson rushed to the scene from the living rooms in the rear and stood in the doorway. She had barely reached the spot when a gun was leveled at the spot and discharged. The shot struck her in the forehead above the eyes, and she fell mortally wounded. Hudson rushed to his wife's side to administer to her, but she died before he could carry her to another room.  
During the shooting William Webb, one of the raiders, was accidentally shot in the arm, and two or three others were wounded slightly. A few more shots were fired, but the mob, alarmed at the killing of Mrs. Hudson, quickly left the place without stopping to destroy the liquors and fixtures.  
Anticipating the attack, Hudson had gathered about him 10 armed men. They were probably prevented from a bloody riot.  
The affray lasted but a few minutes, and the details were not learned until this morning, the raiders having gone quietly to their homes. The members of the party are all believed to be young farmers who live near Millwood. Sheriff Everhardy went from here to Millwood today and arrested four farmers, who have been lodged in the county jail here. Tomorrow the county attorney says he will file a complaint against them of murder in the first degree. Back of the alleged raid there is said to have existed a feud of long standing.

## CHARGED WITH MURDER.

Man Who Killed Another Alleges it Was Done in Self-Defense.  
Vancouver, B. C., Feb. 21.—A special from Greenwood, B. C., states that James F. McGillivray is in jail charged with the murder of Harry Rowand, who was killed at Denoro last night. De Riverre is a French Canadian who was formerly a civil engineer in the service of the Crow's Nest Pass railway. He has lately been made the victim of several practical jokes at the Denoro mining camp. De Riverre killed Rowand with a four-inch case-knife, and while De Riverre admits that it was his hand that gave the fatal blow, he declares it was in self-defense and circumstantial evidence in a measure confirms this view, for Rowand had been drinking, and not finding sufficient excitement in joking the little Frenchman, attempted to hold him over a red hot stove. It was then that the knife was used. De Riverre subsequently surrendered to the provincial police. The deceased was formerly a railway paymaster in the East.

Laborer Had His Skull Crushed.  
St. Helena, Or., Feb. 21.—Yesterday morning Oliver Melville, an employe of Day, Bell & Cannon's logging camp, back of Gible on the line of the Goble & Nehalem railroad, had his skull crushed by a timber, which was moved by the fouling of the blocks on one of the donkey engines which is used for hauling logs. Deceased was 23 years of age and leaves a wife and child. He was a new man and had just gone to work in the morning. The coroner was summoned and a jury empaneled. The verdict exonerates all connected with the work and states that "death was from purely accidental causes."

Shot Brutal Father.  
Fort Wayne, Ind., Feb. 21.—Beattie Slater, aged 15, shot and probably fatally injured her father to save her mother from death at his hands. The little girl was taken to the police station and after an inquiry was let go. Slater came home in the evening, threw his wife on a bed and proceeded to choke her. The little girl secured a revolver and fired a bullet into her father's back, inflicting a dangerous wound.

## AINING THE ENEMY

Employes of Manila Companies Under Arrest.

THE EVIDENCE IS STRONG AGAINST THEM  
Belgian Consul, Who Was Also Suspected, Hastily Left for Europe—Rebel Garrison Captured on Cavite Coast.  
Manila, Feb. 21.—Captain Jones, of the Eighth infantry, has been arrested at a town on the bay province of Laguna, Florenta Ortuna and Migul Ponce de Leon, agents of the Tabacalera Company, and William Webb, Pedro Lorenza and Victoria Scenta, employed by the Philippine Trading Company, on charges similar to those brought against D. M. Carman, the American contractor, namely, furnishing the insurgents with supplies. The Tabacalera Company, the richest corporation in the Philippines, is accused of aiding the insurgents often and actively. The men arrested are prominent and the evidence against them is very strong.  
M. Brixholterman, a Belgian, connected with the Philippine Trading Company, has been arrested at Manila, and M. Edward Andre, the Belgian consul here, and manager of the Philippine Trading Company, hastily left Manila with his family, on his way to Europe on the steamer, Montevideo. Andre had previously been suspected. Other arrests are expected.  
Colonel Schuyler, with 100 men of the Forty sixth regiment on the gunboat Bosco, landed on the Cavite coast, near Ternate, and, proceeding inland, captured a small rebel garrison. Continuing his march along a mountain trail, Colonel Schuyler was attacked by rebels of Trias' command. After a sharp fight the enemy were beaten and scattered. One American was killed and one was wounded.  
The United States transport Rosecrans has returned here from Guam, after landing there the Filipino prisoners who have been reported to that island.

## BENT ON LYNCHING.

Officers Successfully Foiled a Mob of Railroad Men in Topeka.

Topeka, Kan., Feb. 22.—The vigilance of the officers was all that saved "Slick" Slater from lynching by an infuriated mob tonight. He will yet be lynched if he can be found. Slater assaulted 17-year-old Lottie Gerberick Monday evening, and was captured by the Topeka officers the next day at Carbondale. This afternoon it became known that he was here, and immediately the Santa Fe shopmen, of whom the assaulted girl's father, George Gerberick is one, decided that he should be lynched. They at once sent a committee to watch the jail while they quietly arranged the details of the expected lynching.  
By 6 o'clock there was an angry mob of 1,000 around the jail, demanding that the prisoner be delivered to them. A brigade of sturdy boiler-makers, armed with heavy sledge hammers, stood ready to make short work of the jail in case the demands were not granted. Sheriff Cook told the crowd that the prisoner had been removed, and offered to let a committee search the jail. Ten men, headed by George Gerberick, made a thorough search, but Slater could not be found. They returned and told the mob, but that did not satisfy them, and twice they started to break in the jail doors.  
Early in the afternoon, the sheriff, in anticipation of trouble, ordered a deputy to get Slater out of town. He was ordered not to leave him in Jackson county nor to take him to Leavenworth. The deputy drove to Huyt with Slater and entered a north bound Rock Island train. It is thought that Slater is now in jail in Atchison. The Santa Fe shopmen are calmly determined to lynch Slater when he is brought back here for trial. They have appointed a large vigilance committee to be constantly on the outlook, and vow that Slater will never leave Topeka alive. The shopmen have past records in cases of this kind. They lynched John Olliphant 12 years ago for a like offense.

## A FURIOUS BLIZZARD.

An Unusual Storm Raging in Northwestern Pennsylvania.

WASH.—The fury of today's blizzard, with half a dozen feet of snow on country roads and outlying districts, and Hates street buried under 12 feet of snow, Corry caught under the worst part of the storm.  
The Western New York and Pennsylvania railroad accommodation train, due here this evening, was stalled in a drift higher than the engine stack, while rushing down a huge grade south of this city. It was dug out with difficulty and again started on its precarious journey toward Buffalo. It probably will not get through tonight. This road is operating its trains with three engines, and has three plows at work on 90 miles of track. The worst drifts are at Summerville, where they reach a height of 20 feet in spots. On the Philadelphia & Erie, a snow plow jumped the track at Jackson, while endeavoring to force its way through a big drift. Traffic was delayed several hours. For the first time in many years this road has been compelled to use snow plows. The Erie is also compelled to operate hastily improvised snow plows, something unheard of on the main line west of Salamanca. The Lake Shore & Nickel Plate are running their trains, but many hours behind time.

## LYNCHING IN ARKANSAS.

Negro Fiend Hanged by a Furious Mob—Had a Bad Reputation.  
St. Louis, Feb. 22.—A special from Meigs, Ark., says: A mob of eight determined men took Peter Berryman, a desperate negro, out of the city jail at 1 o'clock this morning and hanged him to a tree. The crime of which Berryman was accused was an assault on a 12-year-old girl, whose condition is critical. The masked men met Night Officer Jones and compelled him at the point of guns to hand over the keys and his revolver. Two of them were left to guard Jones, while the others went to the jail and secured the negro. About 2 o'clock they returned to where the officer was being guarded, and gave him his keys and gun. Then the men quietly disappeared without a word.  
About two months ago this negro attacked an engineer with an ax, nearly killing him, and he has been guilty of numerous other offenses. Prompt action was taken by the authorities, but no clew has been found as to who are the members of the mob.

## IN A VENEZUELA PRISON.

Asbury Park, N. J., Man in Jail Incommunicado for a Term of Five Months.  
New York, Feb. 21.—H. C. Bullis, of Asbury Park, N. J., after having endured imprisonment for more than five months in Maracaibo, Venezuela, has returned home to press a claim for \$50,000 damages through the United States government against the South American republic.  
Mr. Bullis was appointed mechanical and electrical engineer of the Maracaibo Electric Light Company two years ago. In a political uprising he was compelled to climb a telegraph pole and seek protection under an American flag, which he tied to the pole.  
The police last August found a quantity of ammunition in the electric plant with which Mr. Bullis was connected, and he was arrested, charged, as he supposed, with being in league with the revolutionists. He declared his innocence, but repeated appeals to the American consul were unheeded. The authorities, believing he had no friends, caused his removal to a military prison, where he was kept five months incommunicado. Mr. Bullis smuggled a letter to the American minister and in 24 hours afterwards the Venezuelan government complied with a peremptory demand for his release.

## Contract for Yukon Boat.

Pittsburg, Pa., Feb. 21.—James Reese & Sons have just taken a contract to build for the Canadian Development Company a \$100,000 tow and passenger craft to ply on the Yukon river. The purchasing company is a Chicago interest, of which W. H. Leon is one of the chief executives.
