

Labor World

The painters and decorators of Buffalo recently have come into the Brotherhood of Painters and Decorators of America.

Lathers of New York won their fight for increased wages. An attempt will be made to thoroughly organize the craft in Eastern cities.

The Bureau of Labor Statistics of Massachusetts has discovered eight towns in which there is neither a clergyman, a doctor nor a lawyer.

Twenty-one thousand six hundred women are now engaged in the pottery factories of England as laborers, and last year 1,578 were the victims of lead poisoning.

Colorado's State Federation of Labor is negotiating with the State authorities for a lease upon a large area of coal and mineral lands. Mines will be opened and worked on the co-operative plan.

It may not be generally known that Denmark is the best organized country in the world. Recent statistics show that 76.7 per cent of workmen and 21.7 per cent of the women are trade unionists.

Sixty-one local unions were recently represented in Cleveland, Ohio, at a convention of the National Wood and Wire Lathers' Union. The union was formed one year ago at Detroit, when only four cities were represented.

The Garment Workers' Label is now used by eighty firms, employing about 5,000 members, a gain of twenty-six firms in the last year. The number of labels used in 1900 is 70,744,000, an increase of 3,244 over the previous year.

The annual report of Typographical Union, No. 6, of New York City, the largest trades union organization in the world, gives its gross receipts as \$185,801.25, and places the total expenditures at \$186,838.22. The organization has now nearly 6,000 members.

Six hundred and eighty-eight strikes were officially notified during the fiscal year. These involved 213,190 members of unions. Of this number 455 strikes were won, 74 compromised, 100 lost, and 53 are pending. The number of persons benefited were 217,403, and 11,257 did not receive any benefit.

The central bodies of Philadelphia trade unionists are just now beginning to agitate the question of a general conference board composed of members from each of these bodies, with the object of bringing them into closer and more harmonious relations with one another. The council of the Allied Building Trades, the Union Labor League, the United German Trades, the Allied Printing Trades Council, the Union Label Alliance, and the Garment Workers' District Council are all interested in the matter, and seem to be impressed with the need of such a conference board.

In the circuit court of the state of Oregon, for the county of Multnomah. State of Oregon, plaintiff, vs. Richard Nixon, as administrator of the estate of Joseph Leonard, deceased, all heirs of the decedent (if any there be) and all persons interested in said estate, defendants.

By virtue of a decree and order of sale duly issued out of and under the seal of the above entitled court in the above entitled cause, to me duly directed and dated the 14th day of January, 1901, in which decree it was adjudged and decreed that the state of Oregon stand and be seized of the following described real property and vested with the title thereto, said real property being described as follows, to-wit:

The west half of the east half of the northeast quarter of Section thirty-two in Township two north of Range one west of Willamette meridian, containing 40 acres, and being within Multnomah county, in the state of Oregon, and in which decree it was further ordered that the sheriff of Multnomah county, Oregon, be directed to make sale of said real property to the highest bidder for cash.

Now, therefore, by virtue of said decree and order of sale, and in compliance with the commands thereof, I will on Monday, the 25th day of March, 1901, at the hour of ten o'clock A. M., at the front door of the county court house in the city of Portland, said county and state, sell at public auction, subject to confirmation by the above entitled court, to the highest bidder for U. S. gold coin, cash in hand, all of the above described real property, and all the right, title, and interest which Joseph Leonard, deceased, had on the 4th day of March, 1897, or Richard Nixon as administrator of said estate since had, in and to the above described real property, or any part thereof, as in said decree directed.

Dated Portland, Oregon, February 21st, 1901.

WILLIAM FRAZIER, Sheriff of Multnomah county, Oregon.
