ADDS CAR OF NOVEL DESIGN. St. Paul Road Makes Pleasing Arrangement for Women Travelers. Something entirely new in the way of railroad equipment has just been procured by the Milwaukee and St. Paul road for use on its Overland Limited trains between Chicago and Omaha.

Another noteworthy feature of the new style car is its extraordinary strength. Throughout the car there has been placed a series of steel arches, which bind sides to sides together and strengthen the roof in a manner which renders the cars almost indestructible.

A PLEASANT WAY TO TRAVEL. The above is the usual verdict of the traveler using the Missouri Pacific Railway between the Pacific Coast and the East.

FIFTEEN REASONS WHY YOU SHOULD STOP AT THE WASHINGTON. 1st-It is the best hotel on the Coast.

2nd-It costs no more than poorer hotels, as shown by rates below. 3d-New hotel, new furniture.

4th-Excellent service. 5th-The Washington while in the center of the city, is on an elevation of 200 feet, which lifts you above the noise, dust and smoke of the street hotels.

6th-The hotel is situated in the center of 4 1/2 beautiful grounds, with thousands of roses and other fragrant flowers to beautify the surroundings.

7th-Eight hundred feet of wide verandas surround the hotel, giving to the guest opportunity for rest and promenade not found elsewhere.

8th-The view from these spacious verandas cannot be described. Mountains, lakes, the Sound and the city itself form one magnificent panorama not found anywhere else on earth.

9th-The hotel lobby, parlors, Turkish room, etc., are exquisite, and form a continuation of comfort and luxury not often found in hotels.

10th-A Dutch grill has recently been added, where service may be had at all hours.

11th-The dining room cannot be excelled. Breakfast and lunch are served a la carte, at most reasonable prices, and a table d'hotel dinner for \$1.00 is pronounced by all to be above criticism.

12th-Rates-Extremely reasonable. European plan-Room, without bath, \$1.00 per day and upward.

13th-Being above the street and away from the noise, you will enjoy a night's rest better at the Washington than any other hotel in the city.

14th-Go to the Washington and if you are not satisfied that it surpasses all other hotels on the Pacific Coast for excellent service and reasonable prices, your bill will be nothing.

15th-Do not be deceived by believing that some other hotel in the city is as good as the Washington, for such is not the case. The Washington stands alone as the most charming and attractive hotel west of New York.

The following people have stopped at the Washington during the past year and have given unstinted praise and declared that in many respects it excels any other hotel on the continent.
