CENTENNIAL NOTES.

"Hit the "Trail" " at the Lewis and Clark Exposition opening in Portland, June 1

Sites have been selected for the Philippine village and the Homer Davenport pheasant farm. These will be located near the Experimental Gardens and the Grand Esplanade.

The Experimental Gardens at the Lewis and Clark Exposition have been unusual list of specialties. Those who abandoned, inasmuch as the remarkable demand for exhibit space neces- tainly profit by going to F. E. Beach sitated the utilizing of this tract for & Company. Remember the number. buildings.

Hundreds of magnificent vases have been profusely scattered about the grounds of the Lewis and Clark Exposition. In these have been placed the control of the chicago, Milwaukee & St. Paul Railway. It has advanced, at one leap, fifty years to the lead, by position. In these have been placed beautiful palms which will be in full bloom by opening day.

Reports from Wisconsin would indicate that the legislative body of that state is making haste to reconsider its action in killing the Lewis and Clark Exposition appropriation bill. An allotment of \$24,000 is now as-

the Exposition will be ready for public inspection.

Work upon the Hungarian chadra at the Lewis and Clark exposition has commenced. The structure is situated on the east side of Lakeview Terrace in front of the Utah, Idaho and New York state buildings and faces the Grand Esplanade.

The enormous ionic columns for the In the Circuit Court of the State of Oregon state building at the Lewis and Clark Exposition have been placed in position. The building now presents a very imposing appearance. Work upon all the other state structures is progressing with much rapidity.

The great crowds which throng the Lewis and Clark Exposition during the pre-exposition period have necessitated more turnstiles, which will be installed immediately. Plans for the permanent entrances have been prepared, and work on them will be started shortly.
