us, and they are men that may be counted on. In or spread her canves, the steamer's paddles were such a party, and with such men, we will do and again put in motion; but she had not preceeded far dare. We are with them in good report and in when she again lay to. The schooner was now unevil report, in victory and defeat. And to-day, der full headway with a fine breeze, and, tacking ziers and rumsellers, who are delighted with their

We had rather be defeated with a good cause than to succeed with a bad one.

—"more true joy Marcellus exiled feels."
Than Casar with a Senate at his heels."

When the truth is apparently at a discount, when fustice is turned backward, and equity is prostrate in the streets, we will betake us to the side of truthand share her fate, rather then shout the praises of wrong, for any temperary gain to as vouchsafed.

"Then to side with truth is noble, When we share her wretched crust Ere the cause brings fame or profit, And 'tis prosperous to be just. Then it is the brave man chooses, While the coward stands as:de, Doubling in his abject spirit,
Till his Lord is crucified,
And the multitude made virtue,
Of the faith they once denied."

The temperance men of Maine will not be disheartened, though temporarily defeated, for in the end their triumph is sure.

Beaten, betrayed, but not conquered, let us be up and doing.

Who Wants a Good Saddle?

THE subscriber, living five nules south-west of Lafayette, in Yambill county, is now carrying on the business of Saidle Making in good sarnest, He keeps constantly on head the best suddles that can be manufactured with the materia's at com-mand in Oregon. Those wishing a genuine suddle warranted to fit on both ades, and rigged out in complete style, cheap for cash, or good trade would do well to give me a call. My shop is situated on Bakers Creek near where the road crosses it leading from Portland and Oregon City, "up country" by the way of Smith's bridge on the North Fork of
