PRESSURE OF FIRED GUNPOWDER.—It is well understood that the pressure of the explosion in a gun is greatest at the beginning, and gradually dies away as the ball moves forward; but this depends much on the combustibility of the powder. With good quick powder the pressure at the instant the powder is fired is immense; but until recently no one has been able to measure it. Dr. W. F. Woodbridge and Major Alfred Mordecai have been recently making some experiments at the expense of the U. S. Ordnance Department, for testing this point, at the Arsenal in Washington — With a ball weighing 6½ lbs, and a charge of 1½ lbs. of Dupont's cannon powder, the greatest pressure at any instant on the interior of the gun, at one inch from the breech, varied between 19,000 and 21,000 pounds per square inch.

At one foot from the breech the greatest pressure was only about 8300 lbs.; at two feet about the same; at three feet about 6000, and at four feet about 5000 pounds. The pressure of a small quantity of Hazzard's rifle powder, fired in a cavity from which there was absolutely no escape, was not sufficient to burst the box—the strength of which was estimated sufficient to sustain an internal pressure of about 93,000 pounds per square inch. These facts are interesting, as they serve to show how the metal should be distributed in casting cannons, and also to remove the belief, which exists among practical men, that one grain of powder absolutely confined would exert an infinite force.

☞ A New Yorker who fired a revolver in the street in London, was let off with a light fine, on the ground that it was a common practice in the United States, where nobody thought anything of it. The Lord Mayor said it was a very surprising state of society, but he was not prepared to dispute the fact.

INDICTED FOR DUELLING IN VIRGINIA.—We learn by dispatch from Richmond, Va., that the Grand Jury have presented Robert G. Scott, John M. Botts, Roger A. Prior, of Richmond Enquirer, A. B. Botts, A. B. Banks, of Petersburg Democrat, and others, for violation of the duelling law.

CONSUMPTION.—An English surgeon broaches the idea that a strong indication of consumptive symptoms is to be found in a mark at the reflected edges of the gums, of a deeper color than the adjoining surface. The absence of this streak in men affected with inconclusive symptoms of consumption may, he says, be interpreted favorably in each case of such suspicious indication, but in women rather less weight is to be attached to this negative sign. In the female sex the presence of the sign is almost conclusive evidence of the existence of tubercular elements in the blood; and when in either sex, it coincides with a pulse not materially altered in frequency, but change from the sitting to the standing posture, the presence of the phthisis may, without having recourse to auscultation, be assumed.

☞ The Blue Ridge Tunnel, Va., will be completed early next spring. It is said that the drills from one side to the other are now heard very plainly.

☞ The attention of a little girl being called to a rose bush, on whose topmost stem the eldest rose was fading, but below and around which three beautiful crimson buds were just unfolding their charms, she artlessly exclaimed to her brother:—"See, Willie, these little buds have just awakened to kiss their mother before she dies."

☞ Dow, Jr., says: "Life is a country dance; down outside and back; tread on the corns of your neighbor; poke your nose everywhere; all hands round, right and left. Bob your cocoanut; the figure is ended. Time hangs up the fiddle, and death puts out the lights."

John McLaughlin, complainant,
vs.
Francis W. Pettygrove & Alfred Pettygrove.
Clackamas County District Court, Oregon Territory.

IN this cause it appearing by an affidavit of complainant filed with his bill that both of the defendants are non-residents of the Territory, it was ordered by the Court that the Clerk make an order, and have the same published, directed to said defendants; this is therefore directed to the said Francis W. Pettygrove and Alfred Pettygrove, and they are hereby notified that this suit was commenced against them on the 6th day of September, 1855; that the object of the bill is to quiet the title to lot No. 6 in block No. 28 in Oregon City in favor of the complainant, and for a decree that a certain bond, touching the same, made by the complainant to Alfred Pettygrove on the 13th day of September, 1843, be canceled. The said defendants are required to appear at the District Court of the 1st Judicial District of said Territory, to be held at Salem on Monday, the sixth day of April, A. D. 1857, and answer the bill of complainant, or the same will be taken as confessed.

In witness whereof, I have hereunto subscribed my hand and affixed my official seal, this 15th day of May, A. D. 1856.
