FOR PURIFYING THE BLOOD. THE ORIGINAL AND GENUINE ARTICLE,

EVERYWHERE CELEBRATED FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD, OR HABIT OF THE SYSTEM.

Since the first introduction of this Medicine, namerous inditations have signing into artifence, founding their claims to the confidence of the community on the curative powers contained in Saraparilla Rose, the great reputation and extended use of which has been manify attributable to the many wonderful cures effected by the Use of this Preparation.

While Sarsaparilla Root farms an important part of its combination, it is, at the came time, compounded with other vagetable remedies of great power, and it is on the peculiar combination and scientifie manner of its preparation, that its remarkable success in the cure of disease depends. Other preparations initiate it in its style of putting up, and in bearing the name of one of its ingredients, and here ends their resemblance to it. Those needing a removing and purifier like this, are requested to note where this difference exists, and in making choice of what they will use, not to take any other but that one entitled to their confidence, from the long list of cures it has effected. Having used it and retted its efficier, in ow confidently recommend it in preference to any either, as it seems to possess requestion of contained in any other preparation; and I find that purchasers, after they have used it, invariably want the same article again, whenever they require a medicine for which this is resonanceded.

ROMAN EYE BALSAM, For Weak and Inflamed Eyes.

This Balsam was used for many years in the private practice of a celebrated Oculist with the greatest auccess. In cases where the EYELIDS ARE INFLAMED,

or the ball of the Eye thickly covered with blood, it acts almost like marie, and removes all appearances of inflammation after two or three applications. There is a numerous class of persons that are peculiarly exposed to secidents or diseases that weakers and inflams the Eyea and perhaps destroy the sight, such as MINERS, MECHANICS,

and other operatives in metals, who, from the nature of their employments, are compelled to work in a cloud of dust and grit. Such should never be without this Bassam. Prepared and sold by A. B. & D. SANDS, Wholestale Druggids, No. 100 Pulton-street, New York.
