"Be kind to your sister-not many may know The depth of true sisterly love; The wealth of the ocean lies fathoms below The surface that sparkles above."

05 We find the following homely, yet felicitous illustration of the plagues of idleness, going the rounds of the press: "The dog in the kennel barks at his fleas, but the dog that is hunting does not feel them."

S'rose He Did .- Dr. Conyers, of London, once dissected a person who had died of love, and found an impression of a lady's face upon his heart. Abem! Must have swallowed the daguerreotype.

A rural poet, in describing his lade love, says she is graceful as a water tily, while her breath is like on armful of clo ver." His case is certainly approaching Main St, opposite Main Street Hotel, a crisis.

SANDS' SARSAPARILLA. FOR PURIFYING THE BLOOD.

AND FOR THE CURE OF Scrofula, Mercurial Diseases, Cutaneous Eruptions, Eheumatism, Liver Complaint, Stubborn ers, Dyspepsia, Lumbago, White Swellings, Hip

Disease,
Enlargement of the
Bones and Joints, Fever Sores, Bronchitis, Erysipelas, Salt Rheum, Loss of Appetite, Pimples, Biles, General Debility,

GENERAL TONIC FOR THE SYSTEM IT IS UNRIVALLED.

Science has never yet explained the philosophy of direction. We know that the masticated food is first converted into the semi-final called chyme, and afterwards, by admixture with the biliary secretions and other fiulds into chyle, a milky find, which, in its passage to the veins, becomes blood. But how this is effected, we kn w not. Now it is evident that if this wital fluid be diseased or impure, the substances formed from it cannot be healthy, and every organ, fibre, and thence of the body will be in an unnatural state. This condition of the system is developed in various forms; cometimes, outwardly, as in Serofula and other nicenus and eruptive diseases; or inwardly, as in Liver Complaint, Dysepsia, Swellings, and decay of the Bloncs. It is evident, then, that a medicine which will

CLEANSE AND PURIFY the elements of the blood, will cure these deplorable dis-orders; and practical experience has established the fact that Saxra Saxuara surface in sections. By expel-ling the very seeds of disease, it restores to the stomach its tone; to the whole digestive apparatus, its vigor; and to the blood, its healthful character.

ASTONISHING CURE Copy of a Letter addressed to our Agents in Chicago, Ill., showing its value in cases of Fover Sores.

showing its value in cases of Fever Sores.

Measrs J. H. Runn & Co.: Gentiemen,—Lobtnined from your store a bottle of Saxue Sarsaparilia, and was then confined to my bed, without sleep, for a week, occasioned by a violent pain from a regular Fever Sore, of long standing, on my right leg. My physicians advised me to have the limb amputated, saying it was the only means likely to preserve my life. After using half of the bottle, the pain lemm to subside, and by the time I had used mearly three bestles, I was able to transact my regular business, and before I had finished the sixth bottle, I was as well and as sound as ever I had bees. I must cheerfully recommend it to all my friends as a meet valuable medicine for the purification of the blood.

ROMAN EYE BALSAM, FOR INFLAMED EYELIDS.

The delicate structure of the evelid renders it peculiarly sensitive and liable to disease. When, from any cause, it becauses affected, the inter membrane rapidly indiames, and the eyelid evinces the strongest predisposition to attract to itself humors from all parts of the body. Hundreds of persons of scrotleon habit are disfigured by rawness or redness of the eyelids, commonly called sore eyes, and terrured with apprehensions of impaired vision, who, by using this Balsana, may obtain almost immediate relief

Messra, Saxra: Gentlemen.—I was afflicted with a dry scaly cruption on my cyclids for fifteen years commencing with small styes, which gradually ran together, and troubled me very much. Various remedies were recorted to, and several eminent physicians prescribed for me. I however received no permanent benefit until I used the Roman Eye Balsam. The first application relieved the unpleasant feeling and symptoms, and in one week I was entirely cured. It had the same good effect in curing a friend, to whose I recummended it for sore eyes. Yours, truly, HHAM NICHOLS, \$47 West 29th street.
