The Matri The Matri-What lady or gentleman would be deprived of a beautiful head of hair, when, by the use of Lvon's Marnaraes such a one can so easily be had? Too much value can not be placed on a fine head of hair—but, also, as intimately connected with the general health of the budy—for this connection is much closer than is generally supposed. The Karnaraes preserves and beautifies the bair, making it soft; curly, and glessy; and, by its cleaning and invigorating properties, gives tone and cleasicity to the whole system. Sold everywhere for 50 cents per bottle.
