To Oregenians in Bad Health.

HIGHLY IMPORTANT TO THE SICK daterous faces and wasted skeleton forms we meet. This is not confined in the old, but we see the young, able-hoded, and those in the prime of i.fe, complain after being here some time of illness; It is awful to note the haggard, sailow, cacompany are being here some time of mines; beine grow utinaturally fat suddenly; others waste and grow thin; they cannot localize or describe their disease, yet they feel universally nuwell, mentally and physically; some have pains and weakness in the breast, limbs, or body; they feel a want of muscular and mental energy, a want of animation, and have fearful forebodings for the fu ture, poor appetite, nervous irr.tability, and sleep-leanness; their skin is dry, and occasionally flushed

lind, and yellow Now sudden deaths, lunacy, and universal debility is too, too prevalent here; and who wonders, when combined with a chmate like this, a firy air Impregnated with electricity and galvanism? We have many who have passed through sickness, whose life is intemperate and debauched, or have death by quick medicines, or by the advice of "The Faculty," Who have impregnated them with mercury, caloniel, &c.

For all such cases is Dr. Jacob W. blier's Invigobating Cordial Sanguiñer mest especially adapted, hasmoch as the above cases and symptoms did Dr. Webber minutely study in adapting his cordial to their cure. It enlivens the torpid liver, ejects all billious matter from the system, causes sudation, or free perperation (so necessary to health), purifies and enriches the blood, gives strength to the limbs and body, and is positively infallible in all flervous diseases, trembling, or wakefulness.

There never was a remedy which gave such delight to the sufferer as this. The Agent can, from his own knowledge of cures effected by it, conscientiously recommend it in any of the following diseases; Nervousness, weakness, languar, less of appetite, sleep, or strength, trembing, low spirits, secay of the natural functions, pains in the head, limbs, or body, neuralgic or rheumatle, and it often restores those to health and strength whose constitutions as almost backet.

DEBICATE FROM DISEASE, CLIMATE, DISSIPATION OR DESAUCHERY. - Strength, swactly, and vigor to the limbs, body, and mind, is given by Dr. Jacob tree thrill of hie through the worn-out body, weak limbs, and broken-down constitutions; gives an appetite, removes dyspepsia calms irritability, causes quiet sleep, and is indeed the finest tonic, nervine and sangu fier, ever made. It is purely a vegetable compound, and can be used by the most delicate femals. The conder is capacity the firmula. ble compound, and can be used by the most den-cate female. The reader is conscientionally assured

the all it is represented.
