To Oregonians in Bad Health.

HIGHLY IMPORTANT TO THE SICK! It is awful to note the haggard, sallow, cadaverous faces and wasted skeleton forms we meet! This is not confined to the old, but we see the young, able-bodied, and those in the prime of life, complain after being here some time of illness; some grow unnaturally fat suddenly; others waste and grow thin; they cannot localize or describe their disease, yet they feel universally unwell, mentally and physically; some have pains and weakness in the breast, limbs, or body; they feel a want of muscular and mental energy, a want of animation, and have fearful forebodings for the future, poor appetite, nervous irritability, and sleeplessness; their skin is dry, and occasionally flushed and heated, thin, pallid, and yellow.

Now sudden deaths, lunacy, and universal debility is too, too prevalent here; and who wonders, when combined with a climate like this, a dry air impregnated with electricity and galvanism? We have many who have passed through sickness, whose life is intemperate and debauched, or have seen others who have been nearly doctored to death by quack medicines, or by the advice of "The Faculty," who have impregnated them with mercury, calomel, &c.

For all such cases is Dr. Jacob Webber's Invigorating Cordial Sanguifier most especially adapted, inasmuch as the above cases and symptoms did Dr. Webber minutely study in adapting his cordial to their cure. It enlivens the torpid liver, ejects all billious matter from the system, causes sudation, or free perspiration (so necessary to health), purifies and enriches the blood, gives strength to the limbs and body, and is positively infallible in all nervous diseases, trembling, or wakefulness.

There never was a remedy which gave such delight to the sufferer as this. The Agent can, from his own knowledge of cures effected by it, conscientiously recommend it in any of the following diseases: Nervousness, weakness, languor, loss of appetite, sleep, or strength, trembling, low spirits, decay of the natural functions, pains in the head, limbs, or body, neuralgic or rheumatic, and it often restores those to health and strength whose constitutions are almost broken.

DEBILITY FROM DISEASE, CLIMATE, DISSIPATION, OR DESAUCHERY.—Strength, vivacity, and vigor to the limbs, body, and mind, is given by Dr. Jacob Webber's *Invigorating Cordial*—it sends an electric thrill of life through the worn-out body, weak limbs, and broken-down constitutions; gives an appetite, removes dyspepsia, calms irritability, causes quiet sleep, and is indeed the finest tonic, nervine and sanguifier, ever made. It is purely a vegetable compound, and can be used by the most delicate female. The reader is conscientiously assured it is all it is represented.

For curing eruptions, pimples, freckles, sunburn, tan, and discolored skin, the beautiful effects of *Jones' Italian Chemical Soap* delight all who use it. It makes the most coarse, red, and yellow skin white and clear as a young child's. It is emollient and softening for infants, and is the best shaving soap made. Price 25 cents.

McMINNVILLE COLLEGE.

THE REGULAR Summer Term of this Institution will commence on WEDNESDAY, APRIL 21ST, 1858, and continue twenty-two weeks. The design of the Institution is to teach young men to *think independently and correctly.* We seek the *real* intellectual and moral improvement. It is expected that all who repair to this place to spend a season of comparative retirement from the world, will have the design of the Institution distinctly in view.

The Faculty consists of the following persons:

REV. GEO. C. CHANDLER, D. D., President, and Professor of Moral and Intellectual Philosophy.

J. D. POST, A. M., Professor of Latin and Greek Languages.

C. H. MATTOON, Professor of Mathematics.

J. A. POST, } Teachers.
G. L. RUSSELL. }

Mr. Mattoon travels during the summer (after July 1st) for the purpose of securing an endowment for the Institution, but takes his post as Teacher at the commencement of the fall term.—Mr. Post comes into the Institution as soon as the Professorship is endowed.

TERMS.—From $6 to $10 per quarter, according to the advancement of the pupil—to be paid *in advance.* Board and other accommodations can be obtained at low rates. Books and stationery furnished at the Institution.

It is desirable that all should commence at the beginning of the term, if possible.

The College is located at McMinnville, one of the most pleasant situations in Oregon, on the South Fork of the Yamhill River, about four miles from Lafayette (the county seat), and in the midst of an enterprising and religious community; and, it is thought, presents *very superior* accommodations for such as desire a *thorough* and *useful* education.
