☞ In Paddock's Book of Plates and Illustrated Counterfeit Detector for 1858, he says; "Hostetter's Bitters are really what their name implies, a tonic and gentle stimulant, calculated to act upon the system as a medicine, and not, as is too often the case, a mere invention under which to indulge in tippling. We would not venture to make this statement, did we not feel sure it would be corroborated by the willing testimony of thousands all over the United States, and especially throughout the western and southern parts, where certain disorders prevail, which require such a prescription. We are assured by a gentleman of large experience, who is a 'traveled man' and whose judgment and impartiality may be relied upon, that 'Hostetter's Bitters' are a sure thing on Fever and Ague, that scourge of our newly settled regions; which, indeed, has within the past year, prevailed to an alarming extent in sections generally exempt."

Proposition for the Location of County Seat in Yamhill County.

IT is ordered by the Board of County Commissioners of Yamhill County, that the following propositions made by the towns of Lafayette, McMinnville, and Dayton, for the location of the County Seat at the next June election, be published in three newspapers of general circulation in said county.

On behalf of Lafayette—the entry by the County (through the Land Office) of one hundred and sixty acres of land, including the town plat of said town, as at present surveyed and laid off. The public square and unsold blocks and lots and the unplatted and unoccupied portions of said 160 acres can be appropriated, by the County Board, for the erection of a Court-House, Jail, and County offices.

On behalf of McMinnville—the donation by Wm. T. Newby of five acres of land for a public square, and one hundred and forty lots, to be taken alternately;—with the following restriction—that if alcoholic drinks be dealt in, sold or given away, as a beverage, on the premises, the title shall be forfeited to the use of School District No. 40. The above donation is upon condition that the County Seat be located at McMinnville.

On behalf of Dayton—the donation by Gen. Palmer and others of one entire block of ten lots (being the block known as the public square in the town of Dayton) and thirty lots and eleven hundred dollars in money, for the erection of County buildings;—conditioned that the County Seat shall be located at Dayton.

☞ Having no doubt that the most of our readers would like to see a correct portrait of Czapkay's agent, now candidate on the bushite ticket for State Printer, we have had our artist try his hand on the job. The picture is said to be a *fac simile* of the poor creature as he appeared on the morning after the "Jackass Jubilee" at Salem. To Oregonians in Bad Health.

HIGHLY IMPORTANT TO THE SICK! It is awful to note the haggard, sallow, cadaverous faces and wasted skeleton forms we meet! This is not confined to the old, but we see the young, able-bodied, and those in the prime of life, complain after being here some time of illness; some grow unnaturally fat suddenly; others waste and grow thin; they cannot localize or describe their disease, yet they feel universally unwell, mentally and physically; some have pains and weakness in the breast, limbs, or body; they feel a want of muscular and mental energy, a want of animation, and have fearful forebodings for the future, poor appetite, nervous irritability, and sleeplessness; their skin is dry, and occasionally flushed and heated, thin, pallid, and yellow.

Now sudden deaths, lunacy, and universal debility is too, too prevalent here; and who wonders, when combined with a climate like this, a dry air impregnated with electricity and galvanism? We have many who have passed through sickness, whose life is intemperate and debauched, or have seen others who have been nearly doctored to death by quack medicines, or by the advice of "The Faculty," who have impregnated them with mercury, calomel, &c.

For all such cases is Dr. Jacob Webber's Invigorating Cordial Sanguifier most especially adapted, inasmuch as the above cases and symptoms did Dr. Webber minutely study in adapting his cordial to their cure. It enlivens the torpid liver, ejects all billious matter from the system, causes sudation, or free perspiration (so necessary to health), purifies and enriches the blood, gives strength to the limbs and body, and is positively infallible in all nervous diseases, trembling, or wakefulness.

There never was a remedy which gave such delight to the sufferer as this. The Agent can, from his own knowledge of cures effected by it, conscientiously recommend it in any of the following diseases: Nervousness, weakness, languor, loss of appetite, sleep, or strength, trembling, low spirits, decay of the natural functions, pains in the head, limbs, or body, neuralgic or rheumatic, and it often restores those to health and strength whose constitutions are almost broken.

DEBILITY FROM DISEASE, CLIMATE, DISSIPATION, OR DEBAUCHERY.—Strength, vivacity, and vigor to the limbs, body, and mind, is given by Dr. Jacob Webber's *Invigorating Cordial*—it sends an electric thrill of life through the worn-out body, weak limbs, and broken-down constitutions; gives an appetite, removes dyspepsia, calms irritability, causes quiet sleep, and is indeed the finest tonic, nervine and sanguifier, ever made. It is purely a vegetable compound, and can be used by the most delicate female. The reader is conscientiously assured it is all it is represented.

☞ In quart bottles price $3—or two for $5.
