To Oregonians in Bad Health.

To Oregonians in Bad Heatth.

Highly IMPORTANT TO THE SICK!

It is awful to note the haggard, sallow, cadaverous faces and wasted skeleton forms we meet!

This is not confined to the old, but we see the young, able-bodied, and those in the prime of life, complain after being here some time of illness; some grow unnaturally fat suddenly; others waste and grow thin; they cannot localize or describe their disease, yet they feel universally unwell, mentally and physically; some have pains and weakness in the breast, limbs, or body; they feel a want of muscular and mental energy, a want of

weakness in the breast, limbs, or body; they feel a want of muscular and mental energy, a want of animation, and have fearful forebodings for the future, poor appetite, nervous irritability, and sleep-lessness; their skin is dry, and occasionally flushed and heated, thin, palid, and yellow.

Now sudden deaths, lunacy, and universal debility is too, too prevalent here; and who wonders, when combined with a climate like this, a dry air impregnated with electricity and galvanism? We have many who have passed through sickness, whose life is intemperate and debauched, or have seen others who have been nearly doctored to death by quack medicines, or by the advice of "The Faculty," who have impregnated them with mercury, calomel, &c.

For all such cases is Dr. Jacob Webber's Invigorating Cordial Sanguifier most especially adapted,

their cure. It calivens the torpid liver, ejects an billions matter from the system, causes sudation, or free perspiration (so necessary to health), purifies and enriches the blood, gives strength to the limbs and body, and is positively infallible in all nervous diseases, trembling, or wakefulness.

There never was a remedy which gave such delight to the sufferer as this. The Agent can, from his over knowledge of cures effected by it, con-
