To Oregonians in Bad Health.

Highly important to the signard, sallow, cadaverous faces and wasted skeleton forms we meet! This is not confined to the old, but we see the young, able-bodied, and those in the prime of life, complain after being here some time of illness; some grow unnaturally fat suddenly; others waste and grow thin; they cannot localize or describe their disease, yet they feel universally unwell, mentally and physically; some have pains and weakness in the breast, limbs, or body; they feel a want of muscular and mental energy, a want of animation, and have fearful forebodings for the future, poor appetite, nervous irritability, and sleep-lessness; their skin is dry, and occusionally flushed and heated, thin, pallid, and yellow.

Now sudden deaths, lunacy, and universal debility is too, too prevalent here; and who wonders, when combined with a climate like this, a dry air impregnated with electricity and galvanism? We have many who have passed through sickness, whose life is intemperate and debauched, or have seen others who have been nearly doctored to death by quack medicines, or by the advice of "The Faculty," who have impregnated them with mercury, calomel, &c.

For all such cases is Dr. Jacob Webber's Invigorating Cordial Sanguifier most especially adapted, incenuch as the above cases and symptoms did Dr.
