To Oregonians in Bad Health.

Highly Important to the silok!

It is awful to note the haggard, sallow, cadaverous faces and wasted skeleton forms we meet!

This is not confined to the old, but we see the young, able-bodied, and those in the prime of life, complain after being here some time of lifness; some grow unnaturally fat suddenly; others waste and grow thin; they cannot localize or describe their disease, yet they feel universally unwell, meutally and physically; some have pains and weskness in the breast, limbs, or body; they feel a want of muscular and mental energy, a want of animation, and have featful forebodings for the future, poor appetite, nercous irritability, and sleep-lessness; their skin is dry, and occasionally flushed and heated, thin, pallid, and yellow.

lessness; their skin is dry, and occasionally flashed and heated, thin, pallid, and yellow.

Now sudden deaths, lunacy, and universal debility is too, too prevalent here; and who wonders, when combined with a climate take this, a dry air impregnated with electricity and galvanism? We have many who have passed through sickness, whose life is intemperate and dehauched, or have seen others who have been nearly doctored to death by quack medicines, or by the advice of "The Faculty," who have impregnated them with mercury, calonel, &c.

For all such cases is Dr. Jacob Webber's Invigorating Cordial Sauguifier most especially adapted,
