JUST LOOK HERE.
WE have on hand one of the largest and best assortments of
FANCY DRY GOODS, MILLINERY, straw goods, embroidery, bonnets, ribbons, jewelry of all kinds, boots, shoes, and all kinds of fashionable clothing, such as the ladies need. We have an agent in San Francisco constantly buying goods for us, and any man of sense knows that we can undersell those who buy in Portland.
Our stock is heavy, and we expect a new supply on every steamer. What is the use of spending money with those who will sell high under the delusion that they are "selling off at cost"? Don't make a mistake and get into the French store, which has long been selling off to "go to France for its health," and still don't go, but be sure you are right when you make for our store between the Bakery and Post-office.

The times are such as to require economy in all business, and if you can economize by making your purchases of such as sell the most and best goods for the money paid, why not do it? Don't make a mistake and get into a Jew store (that don't advertise), but inquire for

To Oregonians in Bad Health.
HIGHLY IMPORTANT TO THE SICK!
It is awful to note the haggard, sallow, cadaverous faces and wasted skeletal forms we meet. This is not confined to the old, but we see the young, able-bodied, and those in the prime of life, complain after being here some time of illness; some grow unnaturally fat suddenly; others waste and grow thin; they cannot localize or define their disease; yet they feel universally unwell, mentally and physically. In the breast, limbs, or body, they feel a want of muscular and mental energy, a want of animation, and have fearful forebodings for the future, poor appetite, nervous irritability, and sleeplessness; their skin is dry, and occasionally flushed and heated, thin, pallid, and yellow.
Now sudden deaths, lunacy, and universal debility is too, too prevalent here; and who wonders, when combined with a climate like this, a dry air, when combined with electricity and gas? We have many who have passed through sickness, whose life is intertempore and debauched, or have seen others who have been nearly doctored to death by quack medicines, or by the advice of "The Faculty," who have impregnated them with mercury, calomel, &c.
For all such cases is Dr. Jacob W. Webster's Invigorating Cordial Sanguifer most especially adapted, inasmuch as the above cases and symptoms are all cured by its use. It contains the most powerful and most salutary matter from the nature, causes, and nature of the disease, and is positively infallible in all nervous diseases, trembling, or weakness.
There never was a remedy which gave such delight
