THE NEXT HOUSE OF REPRESENTATIVES.—It is supposed that the next House of Representatives will be composed as follows:

Democrats	101
South Americans	15
Republicans	104
North Americans	5
Fishy Democrats	12
Total members of Congress	237

This is the calculation of the New York Herald, and accepted by the Washington Union. The "fishy Democrats" include such men as Clark and Haskin, of New York, and several Pennsylvania members...

Of course, a body thus constituted will prove rather unmanageable. The Union remarks on the subject: "It is plain that unless the Democrats gain six votes at the least in the elections...

We have no doubt that when the President read Col. Forney's call for another convention in Pennsylvania, expressly to repudiate his administration, he "declared" a third time, with quite as much energy as before, but with less complacency and deliberateness of expression.

SALE.—The most extraordinary chemical discovery of modern times is the Antiphlogistic Salt. It acts upon the blood precisely in the same manner as the vaccine matter operates in the prevention of malignant diseases. It cures only diseases which are inflammatory in their nature.—First, inflammation of the head and throat, such as brain fever, fits, headache, neuralgia, erysipelas, and catarrh. Second, cases of inflammation in the chest and abdomen, viz.: inflamed lungs and liver, pleurisy, dyspepsia, asthma, gravel, piles, &c. Third, inflammation of the extremities and skin, to wit: rheumatism, scrofula, ulcers, scalded fever, venereal and cutaneous affections. This chemical combination is so powerful and instantaneous in its effects, that the dose is only what will adhere to a quill dipped in the Salt and held to the tongue for one minute. The most astounding results have invariably followed its use in the Atlantic States, and thousands of testimonies can be obtained. The proprietor asks not, however, for faith, but is willing to let the Salt abide by its works, confident that it will never fail. It is put up in draught packages, price Two Dollars, and will be forwarded by mail, post paid, to any part of the country, upon receipt of that sum, addressed to REDINGTON & CO., San Francisco. Full directions accompany each package. As soon as a sufficient supply can be obtained, it will be for sale by Druggists generally.—E. Cogswell, M. D., discoverer and proprietor.—Sole Agents for California and Oregon, REDINGTON & CO., Wholesale Druggists, San Francisco. Dr. A. H. STEELE Agent for Oregon City.

Rheumatism. In all cases of Inflammatory Rheumatism, whether acute or chronic, the Antiphlogistic Salt, discovered by Dr. F. Cogswell, of Boston, is a sure and infallible result. In New England, where this disease is very prevalent, the Salt has never been known to fail in effecting a radical cure, and of giving permanent relief. Rheumatism is almost invariably caused by inflammation of the blood, and the peculiar effect of this medicine, as its name (Anti-phlogistic or Anti-inflammatory) signifies, is to reduce inflammation, and balance the circulation of the blood, and the fluids of the body. It does not profess to be a grand panacea, but is calculated expressly for all diseases of an inflammatory nature, and is thus a perfect substitute for blood-letting in all its forms. It is for sale by all Druggists. General Agents, REDINGTON & CO., Wholesale Druggists, San Francisco.

Bronchitis, Asthma, Catarrh. These diseases, and others of a similar character, caused by colds and inflammation, yield readily and certainly to the effects of the Antiphlogistic Salt. It is peculiarly beneficial in all diseases of this nature, as they are invariably caused by a tendency of blood to the head and throat, and the certain result of the use of this medicinal salt is to reduce inflammation and equalize the circulation of the fluids of the body. It is also remarkably efficacious in all inflammatory diseases of the chest and abdomen, such as Piles, Gravel, Venereal, Dyspepsia, Pleurisy, &c. No better evidence of the value of this medicine can be given than the fact that, although it is now two years since it was first offered to the public, the discoverer has been able to amass but a small portion of his orders, and it is only within the last two months that it could be obtained at any price in this State. For sale by all Druggists. General Agents, REDINGTON & CO., Wholesale Druggists, San Francisco. Agent for Oregon City, Dr. A. H. STEELE. 47m3
