BOOKS! BOOKS! SALT. The most extraordinary chemical discovery of modern times is the Antiphilogistic Salt. It acts upon the blood precisely in the same manner as the vaccine matter operates in the prevention of malignant diseases. It cures only dis-eases which are inflammatory in their nature.— First, inflammation of the head and threat, such as brain fever, fits, headache, neuralgia, erys/pelas, and catarrh. Second, cases of inflammation in the chest and abdomen, viz.: inflamed lungs and

liver, pleurisy, dyspepsia, asthma, gravel, piles, &c. Third, inflammation of the extremities and skin, to wit: rheumatism, scrofula, ulcers, scarlet fever, venereal and cutaveous affections. This fever, venereal and cutareous affections. This chemical combination is so powerful and instantaneous in its effects, that the dose is only what will adhere to a quill dipped in the Salt and held to the tongue for one minute. The most astornding results have invariably followed its use in the Athaetic States, and thousands of testimonials as to its virtues can be furnished, if required. The proprietor asks not, however, for Faith, but is willing to let the Salt shiet by its weeks, confident that it. to let the Sult abide by its works, confident that it will never fail. It is put up in drachin packages, price Two Dollars, and will be forwarded by mail, post paid, to any part of the country, upon receipt of that sum, addressed to REDINGTON & CO., San Francisco. Full directions accompany each package. As soon as a sufficient supply can be obtained, it will be for sale by Druggists generally.

Rhoumatism.

In all cases of Inflammatory Rheumations, whether acute or chronic, the Antiphlagistic Salt, discovered by Dr. F. Coggswell, of Boston, is a sure and infallible result. In New England, where this disease is very prevalent, the Salt has never been known to fail in effecting a radical cure, and of giving permanent relief. Rheumation is almost invariably caused by inflammation. tism is almost invariably caused by inflammation and colds, and the peculiar effect of this medicine, as its name (Ant-philogistic or Auti-inflammatory) significs, is to reduce inflammation, and balance signifi.s. is to reduce inflammation, and balance the circulation of the blood, and rhe fluids of the body. It does not profess to be a grand paracea, but is calculated expressly for all diseases of an inflammatory nature, and is thus a perfect substi-tute for blood-letting in all its forms. It is for sale by all Druggists. General Agents, Reduxdron & Co, Wholesale Druggists, San Francisco.

Bronchitis, Asthma, Catarrh. These diseases, and others of a similar character, caused by colds and inflammation, yield readily and certainly to the effects of the Antiphlogistic Salt.
