

"Fading, still fading!"
Fading, still fading! is traced on each flower,
And written with gold in the west,
When crimson-tinted clouds, at sunset's sweet hour,
Raise the heart to the land of the blest.

Faded and gone are the hopes of our youth,
That painted the future so fair;
And oh! how impressive these words of truth:
Fading, still fading!—ah, yes, every where!

Faded, still fading!—wherever I turn,
Some beautiful thing is passing away;
For death claims the fairest to sleep in its urn,
Far down in the graveyard's cold clay.

A GREAT MAN'S BOOKS.—A recent visitor to the library of Daniel Webster, which remains at his old home in Marshfield just as he left it, says, "Not an infidel work could be found among all his books. He never read such books. To the very close of his life, he retained that reverence for the Bible, and the religion it inculcates, which his excellent parents taught him in infancy. The mute counselors with whom he communed in retirement still show how he thought, how he studied, and what opinions he cherished. A better selection of books to make one wise and good could scarcely be made."

CHRISTIAN TRAVELER.—Each true Christian is a night traveler; his life, his walk—Christ his way—and heaven his home. His walk painful, his way perfect, his home pleasing. I will not loiter, lest I come short of home; I will not wander, lest I come wide of home, but be content to travel hard and be sure I walk right, so shall my safe way find its end at home, and my painful walk my home welcome.—Arthur Warwick.

They who deny God destroy man's nobility; for certainly man is of kin to the beasts by his body; and if he be not of kin to God by his spirit, he is an ignorant creature.

It is said to be dangerous to be working with a sewing machine near a window when there is a thunder storm. It is also very dangerous to sit near some sewing machines when there is no thunder storm.

A lady, whose style of piety was more affected than attractive, once took a friend to task for wearing feathers. "But," said the friend, "why are my feathers any more objectionable than the brilliant artificial flowers in your own bonnet?" "Oh," replied the censorious lady, "Christians must draw the line somewhere, and I draw it at feathers."

God gave to some men wisdom and understanding, and to others the art of playing on the fiddle!

An old bachelor defines love in this manner: "A little sighing, a little crying, a little dying, and a great deal of lying!"

It is not generally known that a piece of loaf-sugar will instantly stop the most troublesome hic cough.

**CLOVE ANODYNE
TOOTHACHE DROPS.**
Those who have felt the painful throbbing and excruciating pain of a raging toothache shooting through their jaws and head with the most tormenting persistence, and as so often the case, have received but little relief from any of the usual remedies, will find in these drops a remedy that will not only give relief, but prevent the return of the tooth, where they should remain in the head. The numerous cases it has accomplished are well attested, and it has only to become generally known to be as highly appreciated by the public as it has long been by the distinguished practical Dentists in the most distinguished parts of the world.
Messrs. SANDS, Gentlemen—In answer to my prospectus, I have extensively used your Clove Anodyne Toothache Drops, and I can testify to their efficacy in the most distressing cases of toothache, and I can testify to their efficacy in the most distressing cases of toothache, and I can testify to their efficacy in the most distressing cases of toothache.

BEFORE AND AFTER USING

DR. JACOB WEBBER'S SANGUIFER,
Or Invigorating Cordial.
What though the sun in beauty shines,
And you have countless hoards of wealth;
What though the world—all, all was thine,
If you but want the blessing, Health!

An Honest Appeal!
To all with bad or failing health.
ARE you languid, inanimate, restless, appetite
poor, digestion bad, and pains in the limbs,
body back, and head? Reader, much of this is
caused from cold caught unwittingly; or, in seven
cases out of ten, sluggishness of the liver and
blood, and want of natural perspiration, indisposi-
tion in the use of food and drink, or from a
dyspepsia in this climate—which is a very unhealthy
part of this climate—many of the awful, violent,
and sudden deaths that occur here have been
attributed to this. Now, reader, I have made this
my study for many years, and I do assure you
that my DR. WEBBER'S INVIGORATING
CORDIAL SANGUIFER will cure these
cases—it will strengthen the nerves, and
brains—it will insure animation of the liver, blood,
and sufferer a lightness of spirits, a mental and
bodily feeling of strength that is delightful. The
many respectable persons who have been benefi-
ted and certified to its extraordinary qualities in
curing any of the following diseases, must satisfy
all but the self-wise and ignorant skeptic—dys-
pepsia, or indigestion, loss of muscular or bodily
strength and mental energy; fever, ague, or chills;
rheumatism, neuralgia, or other pains; depletion
and weakness of the natural functions, debility
from disease, disipation, too much exertion, de-
bility, or other causes, in case of deceiving
from constant intemperance, and where delirium
tremens has occurred, I have seen it change the
sufferer in half an hour from the most horrible
state to calmness and placidity. It can, indeed,
be conscientiously recommended to all suffering,
and the proprietor regrets deeply that it is neces-
sary thus to advertise it, in order that its merits
may be known.

**Intemperance and Debauchery,
Constitutional Weakness, &c.,
DECLINE OF NATURE, PREMA-
TURE OR NATURAL WEAKNESS
OF THE FUNCTIONS, NER-
VOUSNESS, WEAKNESS,
CONSTIPATION,
WAKEFULNESS AND EXHAUSTION:
Dr. Webber's Sanguifer
is a divine remedy. See affidavits & certificates.**
