Condolence and Congratulation
GAIN CALLED FOR. I am brought under the painful yet glorious necessity of again drawing on the public for condolence and congratulation, for the good reason that my second wife is dead, and with all the bad luck, I certainly have more good luck than any other man on earth. I have married the widow, another beloved earth. I am happy. Yours truly, J. E. CHENETTE. Oregon City, Sept. 3, 1859. 21w3

Petition.
FROM the Land Law, and all of its curses and blessings, we beseech thee, Uncle Sam, to deliver us!
From Sat and her half of the claim, O, our great Uncle, deliver us!
From our son Jim, and his third wife, and their dolly, O, merciful Uncle, deliver us!
From my servant BILL, and his brother Jim, and their share, O, deliver us!
From soft words and pleasant smiles, from broad teeth and false fangs, O, our guardian Uncle, deliver us!
Some say that a bad head, a bad heart, and the Law Law, will make a bad woman; but, from a good head, a bad heart, and that law, O, merciful Deliverer, snatch us!
From shaking hands with Old Joe, there is no deliverance!

Lyon's Magnetic Powders, or Flea Powder,
Will destroy Garden Insects, Cuckroaches, Bed Bugs, Fleas, Ants, Moths, and all pests of the vermin kind.

The importance of a reliable article of this kind is inestimable. In warm weather all nature tends to the annoying foe. This powder is the only article ever discovered which will exterminate them. A company of botanists, from the Horticultural Society of Paris, while amidst the ferns of Asia, observed that all insects lighting upon a certain kind of plant very soon dropped dead.— This fact was made use of to guard their night camps from these intruders. Quantities of the plant were brought home by Mr. E. Lyon, and found a positive insect destroyer in every experiment. It is simply a powdered leaf, chemically prepared to resist the effect of age and climate.— Medals and Letters Patent have been obtained from the governments of England, France, Germany and Russia, from the World's Fair, and numerous medical and horticultural colleges and societies.

Letter from the President of the United States. "EXECUTIVE MANSION, WASHINGTON, (31st Jan., 1853.)
Mr. E. Lyon.—Dear Sir: I have the pleasure to inform you that the Royal commission of the World's Fair, at London, have awarded you a Medal and Certificate for the great value of your Magnetic Powders, &c.
MILLARD FILLMORE, Ch'nl.
The above was accompanied by a certificate of Prince Albert.

IT IS FREE FROM POISON.
New York, October 1, 1858
Emanuel Lyon.—Dear Sir: We have analyzed and tested your Magnetic Powders, and find them perfectly harmless to mankind and domestic animals, but certain death when inhaled by bugs, ants and insects.
L. R. CUTLER, M. D., Chemist, &c., &c., L. Reid, Prof. Chemistry, &c., &c., Hospital, says "he has expelled all the bugs, ants, roaches, moths, &c., with Lyon's Powder, and finds it of immense value."

Every gardener and housekeeper must have a direct interest in an article of this kind. Reference can be made to the Astor, St. Nicholas, and Metropolitan Hotels; to Judge Meigs, President of the American Institute; James Gordon Bennett, Gen. Winfield Scott, Cyrus W. Field, L. M. Pease, of the Five Points Mission, &c., &c.— Judge Meigs says, "This discovery of Prof. Lyon is of national importance. The Farmers' Club have tested it thoroughly. It will destroy locusts, grasshoppers, ants, moths, bugs, and all vermin. Garden plants can be preserved, and houses made pure."
Rats and mice cannot be touched by a powder, and are killed by a MAGNETIC FLEA. Order them through any merchant.
The Lyon's Powder kills insects in a trice, and Lyon's Pills are mild for rats and mice. Follow directions. Use freely and thoroughly.
