SALT...The most extraordinary chemical discovery of modern times is the Autiphlogistic Salt. It acts upon the blood precisely in the same manner as the vace ne matter operates in the prevention of malignant diseases. It cares only dis-eases which are inflammatory in their nature.— First, inflammation of the head and throat, such as brain fever, fits, headache, neurale a eryspela, and extarrh. Second, cases of inflammation in the chest and abtomen, viz.: inflamed imags and liver, plearisy, dyspepsia, asthum, gravet, piles, &c. Third, inflammation of the extremities and skin, to wit: rheumation, surefula, tieers, scarlet fever, venercal and cutaveous affections. This chemical combination is so powerful and instantaneous in its effects, that the dose is only what will adhere to a quill dipped in the Salt and held to the tongue for one minute. The most astonnling retic States, and thousands of testimonials as to its virtues can be furnished, if required. The pro-prietor asks not, however, for Fanh, but is willing to let the Salt abide by its works, confident that it will never fail. It is put up in drachin packages, price Two Dollars, and will be forwarded by mail. post paid, to any part of the country, upon receipt of that sum, addressed to REDINGTON & Co., San Francisco. Full directions accompany each package. As soon as a sufficient supply can be obiamed, it will be for sale by Druggists generally.

Rhoumatism. In all cases of Inflammatory Rheumatism whether acute or chronic, the Autiphi spisite San, discovered by Dr. F. Coggswell, of Boston, is a sure and infathible result. In New England, where this discase is very prevalent, the Salt has never been known to fall in effecting a radient cure, and of giving permanent rollef. Rheum. tism is almost invariably caused by inflammation and colds, and the peculiar effect of this medicine, as its name (Ant phlogistic or Anti-indammatory) signifies, is to reduce inflammation, and balance the circulation of the blood, and rise thirds of the body. It does not profess to be a grand pagacea, but is calculated expressly for all diseases of an inflammatory nature, and is thus a perfect substi-tute for blood-letting in all its forms. It is for sale by all Druggists. General Agents, Remisoros & Co., Wholesale Druggists, San Francisco.

Bronchitis, Asthma, Catarrh. These diseases, and others of a similar character, caused by colds and inflammation, yield resiily and certainly to the effects of the Antiphlegisno Salt. It is poculiarly beneficial in all d seases of this nature, as they are invarily caused by a tenden y of blood to the heard and throat, and the certain result of the use of this medical salt: to reduce inflammation and equalize the circulation of the fluids of the body. It is also remarka-bly efficacions in all inflamatory diseases of the chest and abdomen, such as Piles, Gravel, Vene-real, Dyspepsia, Picurisy, &c. No better evi-dence of the value of this medicine can be given than the fact that, although it is now two years since it was first offered to the public, the discoverer has been able to answer but a small portion o his orders, and it is only within the last two months that it could be obtained at any price in this State. For sale by all Dongrists. General Agents, Remisoros & Co., Wholesale Druggists, San Francisco, Agent for Ocegon City, Dr. A. H. STEELE.
