**SANDS' SARSAPARILLA,**  
For Purifying the Blood,  
AND FOR THE CURE OF  
Scrofula, Mercurial Diseases, Rheumatism, Cutaneous Eruptions, Stubborn ulcers, Liver complaint, Dyspepsia, Bronchitis, Salt Rheum, Lumbago, White Swellings, Hip Disease, Enlargement of the Bones and Joints, Fever Sore, Female Complaints, Erysipelas, Loss of Appetite, Pimples, Biles, General Debility, &c., &c.  
It has long been a most important desideratum in the practice of medicine, to obtain a remedy similar to this, and accordingly we find it resorted to almost universally in all those tormenting diseases of the skin so trying to the patience, and injurious to the health. It is a tonic, aperient, and disinfectant. It acts simultaneously upon the stomach, the circulation, and the bowels, and thus thereby success, which are ordinarily the result of various different kinds of medicine, are carried on at the same time through the instrumentality of this one remedial agent. Its great merit is that it meets and neutralizes the active principle of disease itself, and when that is gone, the symptoms necessarily disappear. The rapidity with which the patient recovers health and strength under this triple influence is surprising.  
**REMARKABLE CURE.**  
LINA CORNETT, Oregon Ter., March 11, 1859.  
Meant A. R. & D. SANDS, New York; Gentlemen.—In the spring of 1853, while on my way from Indiana to this place, our eldest boy was seized with a swelling and severe pains in the legs which day by day grew worse, until his legs contracted, and became so painful that he could not walk, and we had to carry him about like an infant. We reached Albany on the 3d of October, completely worn out by fatigue. By this time, however, we were induced to a perfect skeleton. Here we were enabled to consult a physician (Dr. Hill) who honestly confessed he could not cure him, although he could give him medicine that would relieve the pain. In this exigency something must be done, or death was inevitable. Being recommended to try your Sarsaparilla, I procured a bottle. After taking some, he appeared worse; but persevering with it, I obtained a second bottle, which seemed to graze upon the disease, and caused a marked improvement: the swelling and pain in the legs were reduced, his appetite improved, and his color began to return. Thus encouraged, I purchased a third bottle; while taking it, the swellings in his legs broke, and some pieces of bone one eighth of an inch long came out. He is now perfectly recovered and has no appearance of being a cripple, and can perform most kinds of common labor, as all our neighbors can testify. Yours, respectfully,  
CALEB DAVIS.

**Dr. H. Adolphus,**  
Office—159 & 161 Montgomery st.,  
Four Days from Washington,  
SAN FRANCISCO.  
FOR THE CURE OF  
**Chronic Diseases.**  
DR. ADOLPHUS has devoted the last ten years of his practice to the cure of Chronic Diseases, such as  
Rheumatism, Gout, Private Diseases of every description, no matter from what cause, or of how long standing, in both sexes, Weakness in the Back, and all other Diseases of the Kidneys, DROPSY, DYSPEPSIA, Liver Complaints, Scrofula, Paralysis, Stiff Joints, NERVOUS AFFECTION, consequences of youthful follies, and all other complaints of long standing that the human system is subject to. Ladies suffering with disease peculiar to their sex will be treated with the most care and success. They may most confidently apply for medical aid, either by letter or personally; they will be sure to find speedy and permanent relief from suffering.  
Through the enormous success the Dr. has had, especially in the treatment of the above diseases, he is enabled to promise a speedy and permanent cure, where medical skill can possibly effect a cure. Although the Dr. was always adverse to advertising, he had at last to submit to the many requests of his numerous patients throughout the State, who consider it an injustice to the suffering who can be benefited by his treatment and advice. Thousands of patients in California have been saved by his mode of treatment, and will testify to his superiority to any other they have ever been treated by. The Dr. never uses mercurial or mineral poisons; he has more efficient substitutes of the vegetable kingdom. He will never expect any pyrexia where he does not effect a complete cure.  
Medical and medical advice sent to all parts of the States and Territories on the Pacific coast, after receiving description of the disease and its symptoms, either in English, German, French, or Spanish.  
Consultation, by letter, or personally, FREE.
