

Woods' Sarsaparilla—This purely vegetable remedy combines in itself the properties of an Anodyne, a mild cathartic, and a tonic. It quickly purifies the blood, and other fluids of the body, the impurities of unhealthy secretions which engender and feed disease, thus striking at the root of the malady. Although proved so efficacious, it may be taken at all times with perfect safety, as it contains no powerful drastic drugs to debilitate the system, or mineral poisons to ruin the constitution.

It has long been a most important desideratum
in the practice of medicine, to obtain a remedy
similar to this, and accordingly we find it resorted
to almost universally in all those tormenting dis-
eases of the skin springing to the patient, and in-
jurious to the health. It is a tonic, a purgative,
and a diaphoretic. It acts simultaneously upon the
stomach, the circulation, and the bowels, and
thus three processes, which are ordinarily the re-
sult of three different kinds of medicine, are car-
ried on at the same time through the instrumen-
tality of this one remedial agent. Its great
merit is that it purifies the blood, and neutralizes the active
principle of disease itself, when that is gone,
the symptoms necessarily disappear. The rap-
idity with which the patient recovers health and
strength under this triple influence is surprising.

REMARKABLE CURE.
LINN COUNTY, Oregon Ter.,
March 11, 1855.
Months. A. B. & D. SANDS, New York; Our Gen-
tlemen,—In the spring of 1853, while on our way
from Indiana to this place, our eldest boy was
seized with a swelling and severe pain in the legs,
which day by day grew worse, until his legs con-
tracted, and became so painful that he could not
walk, and we had to carry him about like an infant.
We reached Albany on the 3d of October, and
completely worn out by fatigue. By this time,
he was reduced to a perfect skeleton. Here we
were enabled to consult a physician (Dr. Hill)
who honestly confessed he could not cure him, al-
though he would give him medicine that would re-
lieve the pain. In this emergency something must
be done, or death was inevitable. Being recom-
mended to try Sarsaparilla, I procured a bot-
tle. After taking some, he appeared worse; but
persevering with it, I obtained a second bottle,
which seemed to grapple with the disease, and
caused a marked improvement: the swelling and
pain in the legs were reduced, his appetite im-
proved, and his color began to return. Thus en-
couraged, I purchased a third bottle; while tak-
ing it the swellings in his legs broke, and some
pieces of bone eight or ten inches long came
out. After his legs were straightened and healed
up. He is now perfectly recovered, and has no ap-
pearance of being a cripple, and can perform
most kinds of common labor, as all our neighbors
can testify. Yours, respectfully,
CALEB DAVIS.

FOR THE CURE OF
Chronic Diseases.

DR. ADOLPHUS has devoted the last ten
years of his practice to the care of Chronic
Diseases, such as
Rheumatism, Gout, Private Diseases of
every description, no matter from
what cause, or of how long stand-
ing, in both sexes, Weakness
in the Back, and all other
Diseases of the Kidneys,
DROPSY,
DYSPEPSIA,
Liver Complaints, Scrophulous,
Paralysis, Stiff Joints,
NERVOUS AFFECTION,
consequences of youthful follies,
and all other complaints of long standing that the
human system is subject to. Ladies suffering with
diseases peculiar to their sex will be treated with
the utmost care and secrecy. They may most
confidentially apply for medical aid, either by let-
ter or personally; they will be sure to find speedy
and permanent relief from suffering.

Through the enormous success the Dr. has had,
especially in the treatment of the above diseases,
he is enabled to prom- a speedy and permanent
cure, where medical skill can possibly effect a
cure. Although the Dr. was always averse to
advertising, he had at last to submit to the many
requests of his numerous patients throughout the
State, who consider it as justice to the suffering
who can be benefited by his treatment and advice.
Thousands of patients in California have been
saved by his mode of treatment, and will certify
its superiority to any other they have ever been
treated by. The Dr. never uses mercurial or min-
eral poisons; he has more efficient substitutes of
the vegetable kingdom. He will never expect
pay where he does not effect a complete cure.
Medical and medicinal advice sent to all parts of
the States and Territories on the Pacific coast, af-
ter receiving description of the disease and its
symptoms, either in English, German, French, or
Spanish.
