State Republican Convention.
A State Republican Convention will meet at Eugene City on Thursday, 19th of April next, at 10 o'clock a. m., for the nomination of a candidate for Representative in Congress, and for the transaction of such other business as may come before the convention.

The Republicans of the several counties and all others opposed to the present administration, and wishing to co-operate with them in support of the candidate who shall be nominated, and who are opposed to the present reckless and pro-slavery policy of the so-called Democracy of Oregon, and in favor of a Pacific Railroad, and in favor of a Homestead for the actual settlers, are invited to attend from each county to said convention delegates as follows:

By order of the State Central Committee, H. W. CORBETT, Chairman.
Portland, March 1st, 1860.

Republican Convention.
The Republicans of Marion county are requested to meet at the court house in Salem, on Saturday, the 7th April, at 11 o'clock, for the purpose of nominating a county ticket for offices of Marion county, also to appoint delegates to the State Convention to be held at Eugene City, on the 19th of April, for the purpose of nominating a candidate for the next Congress and three Presidential electors.

The last of representation is one delegate to every 1500 votes cast at the last election, and one for every fraction over eighty. Marion county is entitled to nine delegates.

W. WARREN,
Chairman County Committee.
Salem, March 1st, 1860.

To the Republicans of Yamhill County.
The undersigned, wishing to promote the harmonious success of the Republican cause in Yamhill county, appointed a Committee in each precinct to consult with the Republicans as to what course should be pursued preparatory to the coming election. Accordingly a meeting was held in Lafayette on Saturday, the 11th instant, represented by seven precincts, and after due deliberation it was thought best to meet in the usual County Convention, by precinct delegates; that the popular vote be taken as a basis of representation, and that the ratio be one delegate for every twenty votes. The Republicans in the various precincts are earnestly requested to hold their primary meetings on Saturday, March 24th, at 12 o'clock a. m., and elect delegates to meet in County Convention, at the Court House in Lafayette, on Saturday, Mar. 31st, at 1 o'clock a. m.

Dyspepsia, Fever and Ague, Indigestion, Stomach, Heart Burn, Water Brash, Biliousness, Liver Complaint, Acedia, Flatulency, Jaundice, Change of Climate, Sick Headache, Loss of Appetite, Female Complaints, Oppression, etc., are rapidly, and cured by the OXYGENATED BITTERS.

California Evidence.
MORELME HILL, Cal., {
June 16, 1858. }

Having suffered for fifteen years with Dyspepsia in its worst form, and having consulted with the best Physicians, and tried everything recommended with no relief, I was induced to try the OXYGENATED BITTERS, and before I had taken one bottle I found myself much better, and continued taking them, until I was entirely cured, and now enjoy as good health as ever I did in my life. I take great pleasure in recommending them to all who are similarly afflicted. JAMES LONGHORE.

The OXYGENATED BITTERS are sold in California by Redington & Co., Henry Johnson & Co., Charles Merrill, San Francisco; R. H. McDonald & Co., Sacramento; Rice, Coffin & Co., Marysville; Smith & Davis, Portland, Oregon.

SANDS' Sarsaparilla.—This purely vegetable remedy combines in itself the properties of an Antiseptic, a mild cathartic, and a tonic. It quickly removes from the blood, and other fluids of the body, the impurities of unhealthy secretions which engender and feed disease, thus striking at the root of the malady. Although proved so efficacious it may be taken at all times with perfect safety. It contains no powerful drastic drug to debilitate the system, or mineral poison to ruin the constitution.

Prepared and sold by A. B. & D. SANDS, 100 Fulton St., New York. Price \$1 per bottle, or six bottles for \$5.

By order of the advertisement in another column. Sold by Dr. STEELE, Oregon City, and by Druggists generally.

SANDS' SARSAPARILLA,
For Purifying the Blood,
AND FOR THE CURE OF
Scrofula, Mercurial Diseases, Rheumatism, Cutaneous Eruptions, Stubborn Ulcers, Liver complaint, Dyspepsia, Bronchitis, Salt Rheum, Lumbago, White Swellings, Hip Disease, Enlargement of the Bones and Joints, Fever Sores, Female Complaints, Erysipelas, Loss of Appetite, Pimples, Biles, General Debility, &c., &c.

It has long been a most important desideratum in the practice of medicine, to obtain a remedy similar to this, and accordingly we find it resorted to almost universally in all these tormenting diseases of the skin so trying to the patience, and injurious to the health. It is a tonic, aperient, and disinfectant. It acts simultaneously upon the stomach, the circulation, and the bowels, and thus three processes, which are ordinarily the result of three different kinds of medicine, are carried on at the same time through the instrumentality of this one remedial agent. Its great merit is that it meets and neutralizes the active principle of disease itself, and when that is gone, the symptoms necessarily disappear. The rapidity with which the patient recovers health and strength under this triple influence is surprising.

REMARKABLE CURE.

Meats. A. B. & D. SANDS, New York: Gentlemen.—In the spring of 1853, while on our way from Indiana to this place, our 13rd day boy was seized with an swelling and severe pain in the legs which day by day grew worse, until his legs contracted, and became so painful that he could not walk, and we had to carry him about like an infant. We were weary and fatigued. By this time, he was reduced to a perfect skeleton. Here we were enabled to consult a physician (Dr. Hill), who honestly confessed he could not cure him, although he could give him medicine that would relieve the pain. In this exigency something must be done, or death was inevitable. Being recommended to try your Sarsaparilla, I procured a bottle. After taking some, he appeared worse; but persevering with it, I obtained a second bottle, which seemed to gratify with the disease, and caused a marked improvement; the swelling and pain in the legs were reduced, his appetite improved, and his color began to return. Thus encouraged, I purchased a third bottle; while taking it the swellings in his legs broke, and some pieces of bone one eighth of an inch long came out, after which his legs straightened and healed up. He is now perfectly recovered, has no appearance of being a cripple, and can perform most kinds of common labor, as all our neighbors can certify. Yours, respectively, CALEB DAVIS.

FOR THE CURE OF
Chronic Diseases.

DR. ADOLPHUS has devoted the last ten years of his practice to the cure of Chronic Diseases, such as
Rheumatism, Gout, Private Diseases of every description, no matter from what cause, or of how long standing, in both sexes, Weakness in the Back, and all other Diseases of the Kidneys, DROPSY, DYSPPEPSIA, Liver Complaints, Scrofula, Paralysis, Stiff Joints, NERVOUS AFFECTION, consequences of youthful follies, and all other complaints of lung standing that the human system is subject to. Ladies suffering with diseases peculiar to their sex will be treated with the utmost care and secrecy. They may not confidentially apply for medical aid, either by letter or personally; they will be sure to find speedy and permanent relief from suffering.

Through the enormous success the Dr. has had, especially in the treatment of the above diseases, he is enabled to promise a speedy and permanent cure, where medical skill can possibly effect a cure. Although the Dr. was always averse to advertising, he had at last to submit to the many requests of his numerous patients throughout the State, who consider it as justice to the suffering who can be benefited by his treatment and advice. Thousands of patients in California have been saved by his mode of treatment, and will certify its superiority to any other they have ever been treated by. The Dr. never uses mercurial or mineral poisons; he has more efficient substitutes of the vegetable kingdom. He will never expect pay where he does not effect a complete cure.

Medicine and medical advice sent to all parts of the States and Territories on the Pacific coast, after receiving description of the disease and its symptoms, either in English, German, French, or Spanish.

Consultation, by letter, or personally, FREE.
