State Republican Convention. A State Republican Convention will meet at Eugene City on Thursday, 19th day of April next, at 10 o'clock A. M., for the nomination of a candidate for Representative in Congress, and for the transaction of such other business as may come before the convention.

The Republicans of the several counties, and all others opposed to the present administration, are invited to cooperate with them in support of the candidate who shall there be nominated, and who are opposed to the present reckless and proslavery policy of the so-called Democracy of Oregon, and all in favor of a Pacific Railroad, and in favor of a Home-ruled for the actual settlers, are invited to send from each county a said convention delegates as follows:

Beston 4, Clackamas 5, Clatsop 1, Coos 1, Curry 1, Columbia 1, Douglas 6, Jackson 6, Joseph 6, Lane 7, Lane 7, Marion 7, Marion 9, Polk 4, Tillamook 1, Umpqua 1, Washington 4, Wasco 2, Yamhill 5.

The above representation is based upon the popular vote of the last election, allowing one delegate for every county casting 150 votes or less, and one for every additional 150 votes. For a fractional portion exceeding eighty votes in any county, entitles such county to an additional delegate. A full delegation is requested.

By order of the State Central Committee, H. W. CORBETT, Chairman.

Clackamas Co. Republican Convention. The Republicans of Clackamas county, and all others opposed to the present proslavery administration, and in favor of such a system of measures, State and National, as will tend to advance the prosperity of Oregon and of the whole country, are invited to meet at the court-house in Eugene City on Saturday, April 7, 1859, at 2 o'clock P. M.

It is hoped that every precinct will be represented, as it is believed that such an assembly can be successful in securing the triumph of free principles in this county. AMORY HOLBROOK, Chairman Co. Com.

Linn Co. Republican Convention. The Republicans of Linn county are requested to meet in mass convention at Albany on Monday the 21st day of April next, at 10 o'clock A. By order of the county committee, JOHN CONNER, Ch'n.

Marion County Convention. The Republicans of Marion county are requested to meet at the court house in Salem, on Saturday, the 7th of April, at 11 o'clock, for the purpose of nominating a county ticket for officers of Marion county, also to appoint delegates to the State Convention to be held at Eugene City on the 19th of April, for the purpose of nominating a candidate for the next Congress and three Presidential electors.

The basis of representation is one delegate to every 150 votes cast at the last election, and one for every fraction over eighty. Marion county is entitled to six delegates. W. WARREN, Chairman County Comm.tee.

Yamhill Co. Convention. The undersigned, wishing to promote the harmony and success of the Republican cause in Yamhill county, appointed a Committee in each precinct to consult with the Republicans as to what course should be pursued preparatory to the coming convention. Accordingly a meeting was held in Layettes on Saturday, the 11th instant, resulted by seven precincts, and after due deliberation it was thought best to meet in the usual County Convention, by direct delegation; that the popular vote be taken as a basis of representation, and that the ratio be one delegate for every twenty votes.

The Republicans in the various precincts are earnestly requested to hold their primary meetings on Saturday, March 27th, at 12 o'clock P. M., and elect delegates to meet in County Convention at the Court House in Layettes, on Saturday, March 31st, at 1 o'clock P. M. JOHN W. COVILL, Ch'n.

NADA'S SARSAPARILLA.—This purely vegetable remedy combines in itself the properties of an Antiseptic, a mild cathartic, and a tonic. It quickly removes from the blood, and other fluids of the body, the impurities of unhealthy secretions which engender and feed disease, thus striking at the root of the malady. Although proved so efficacious it may be taken at all times with perfect safety, as it contains no powerful drastic drug to debilitate the system, or mineral poison to ruin the constitution.

Dr. H. Adolphus, Office—159 & 161 Montgomery st., Four Doors from Washington, SAN FRANCISCO. FOR THE CURE OF Chronic Diseases.

DR. ADOLPHUS has devoted the last ten years of his practice to the cure of Chronic Diseases, such as Rheumatism, Gout, Private Diseases of every description, no matter from what cause, or of how long standing, in both sexes, Weakness in the Back, and all other Diseases of the Kidneys, DROPSY, DYSPEPSIA, Liver Complaints, Scrofula, Paralysis, Stiff Joints, NERVOUS AFFECTION, consequences of youthful follies, and all other complaints of long standing that the human system is subject to. Ladies suffering with diseases peculiar to their sex will be treated with the utmost care and secrecy. They may most confidently apply for medical aid, either by letter or personally; they will be sure to find speedy and permanent relief from suffering.

Through the numerous success the Dr. has had, especially in the treatment of the above diseases, he is enabled to promise a speedy and permanent cure, where medical skill can possibly effect a cure. Although the Dr. was always reverse to advertising, he had at last to submit to the many requests of his numerous patients throughout the State, who consider it as justice to the suffering who can be benefited by his treatment and advice. Thousands of patients in California have been saved by his mode of treatment, and will testify its superiority to any other they have ever been treated by. The Dr. never uses mercurial or mineral poisons; he has more efficient substitutes of the vegetable kingdom. He will never expect a cure where he does not effect a complete cure.

Medical and medicinal advice sent to all parts of the States and Territories on the Pacific coast, after receiving description of the disease and its symptoms, either in English, German, French, or Spanish. Consultation, by letter, or personally, FREE.

SANDS' SARSAPARILLA, For Purifying the Blood, AND FOR THE CURE OF Scrofula, Mercurial Diseases, Rheumatism, Cutaneous Eruptions, Stubborn ulcers, Liver complaint, Dyspepsia, Bronchitis, Salt Rheum, Lumbago, White Swellings, Hip Diseases, Enlargement of the Bones and Joints, Fever Sores, Female Complaints, Erysipelas, Loss of Appetite, Pimples, Bites, General Debility, &c., &c.

It has long been a most important desideratum in the practice of medicine, to obtain a remedy similar to this, and accordingly we find it resorted to almost universally in all those tormenting diseases of the skin so trying to the patience, and injurious to the health. It is a tonic, aperient, and disinfectant. It acts simultaneously upon the stomach, the circulation, and the bowels, and thus three processes, which are ordinarily the result of various different kinds of medicines, are effected on at the same time through the instrumentality of this one remedial agent. Its great merit is that it meets and neutralizes the active principle of disease itself, and when that is gone, the symptoms necessarily disappear. The rapidity with which the patient recovers health and strength under this triple influence is surprising.

REMARKABLE CURE. LINN COUNTY, Oregon, &c., March 11, 1855. Meets A. B. & D. SANDS, New York; Gentlemen,—In the spring of 1853, while on my way from Indiana to this place, our old dog was seized with a swelling and severe pain in the legs which day by day grew worse, until his legs contracted, and became so painful that he could not walk, and we had to carry him about like an infant.

We reached Albany on the 3d of October, completely worn out by fatigue. By this time, he was reduced to a perfect skeleton. Here we were enabled to consult a physician (Dr. Hill), who honestly confessed he could not cure him, although he could give him medicine that would relieve the pain. In this exigency something must be done, or death was inevitable. Being recommended to try your Sarsaparilla, I procured a bottle. After taking some, he appeared worse; but persevering with it, I obtained a second bottle, which secured to grapple with the disease, and caused a marked improvement in the swelling and pain in the legs were reduced, his appetite improved, and his color began to return. Thus encouraged, I purchased a third bottle; while taking it the swelling in his legs broke up, and some pieces of bone one eighth of an inch long came out, after which his legs straightened and healed up. He is now perfectly recovered, has no appearance of being a cripple, and can perform most kinds of common labor, as all our neighbors can testify. Yours, respectfully,

CLAY DAVIS. Prepared and sold by A. B. & D. SANDS, Wholesale Drugists, 100 Fulton street, corner of William Street, New York. Sold also by H. JOHNSON & Co., San Francisco; RICE & COFFIN, Marysville; R. H. McDONALD & Co., Sacramento; and by Druggists generally. Dr. STEELE, Agent, Oregon City. 314m3
