THE SILENT CONFLICTS OF LIFE.—A triumph in the field is a theme for poetry, for painting, for history, for all the eulogistic and aggrandizing agencies whose united tribute constitutes Fame; but there are victories won by men *over themselves*, more truly honorable to the conquerors than any that can be achieved in war. Of these silent successes we never hear. The battles in which they are obtained are fought in solitude and without help save from above. The conflict is sometimes waged in the still watches of the night, and the struggle is often fearful. Honor to every conqueror in such a warfare! Honor to the man or woman who fights temptation, hatred, revenge, envy, selfishness, back to its last covert in the heart, and then expels it forever. Although no outward show of honor accrues to the victors of these good fights, they have their reward—a higher one than Fame can bestow. They come out of the conflict self-ennobled.

CHARITY.—Charity embraces the wide circle of all possible kindness. Every good act is charity; your smiling in your brother's face is charity; and exhortation of your fellow-man to virtuous deeds is equal to alms-giving; your putting a wanderer in the right road is charity; your assisting the blind is charity; your moving stones and thorns from the road is charity; your giving water to the thirsty is charity. A man's true wealth hereafter is the good he does in the world to his fellow-man. When he dies, people will say, "What property has he left behind him?" But the angels will ask, "What good deeds has he sent before him?"—*Irving.*

WHY THE DYING NEVER WEEP.—The reason why the dying never weep, is because the manufactories of life stop forever; the human system has run out at last; every gland of the system has ceased its functions. In all disease, the liver is the very first manufactory that stops work; one by one the others follow, and all the fountains of life are at length dried up; there is no secretion anywhere. So the eye in death weeps not; not that all affection is dead in the heart, but because there is not a tear-drop in it, any more than there is moisture on the lip. —*Dr. Hall.*

☞ Tears are a kind of silent prayers, which, though they say nothing, yet obtain pardon; and though they plead not a man's cause, yet they obtain mercy at the hands of God. As we see in that great instance of Peter, who, though he said nothing that we read of, yet weeping bitterly, he obtained mercy.

☞ The heart is the spring and fountain of all natural and spiritual actions; it is the *primum mobile*, the great wheel that sets other wheels going; therefore keep it with all custody and caution, or else bid farewell to all true joy, peace, and comfort.

☞ A piece of pine wood forced down into the sea to the depth of 200 fathoms, becomes so compressed, that when drawn up again, it is found to be so heavy as to sink like a stone when thrown into the water.

FARQUAR'S
MEDICATED
CALIFORNIA
WINE & BRANDY
A DELICIOUS
TONIC BITTER
JUICE OF THE
GRAPE
MEDICATED WITH
JUNIPER, RHUBARB,
PERUVIAN BARK
FOR INVALIDS

THIS is simply the fermented juice and the distilled juice of the California grape, judiciously medicated with Peruvian Bark, turkey rhubarb, juniper berries, and other vegetable remedial agents, skilfully combined, and in such minute and exact quantities as to constitute a small or homeopathic dose of each remedy; which when combined form an innocent, harmless, yet active, tonic, alterative, anti-dyspeptic, diuretic, anti-febrile, and sedative beverage, pleasant to the taste.
The inventor, in calling the attention of the public (especially the Californians who know the excellence of the California grape) to these preparations, does so with pride and confidence; pride in proving the excellence of our native grape, and confidence in their remedial virtues, adapted for the following diseases:
Dyspepsia, Indigestion, Loss of Appetite, Habitual Constipation, Acidity of, or Sour Stomach, Diseases of the Kidney, Gravel, Disorders of the Urinary Organs, Remittent and Intermittent Fevers, Fever & Ague, Nervousness, Weakness, Debility, Dryness of the Skin, or want of Perspiration, Pains in the Stomach or Bowels, Cholic, Dysentery, &c., &c.
The proprietor does not pretend that his Medicated California Wine and Brandy is a "wonder or a miracle" in medical science, but appeals to the common sense of the public, and he does not hesitate to avow that he knows from experience that the medicines in this, though small in quantity, will often effect a cure in some of the diseases enumerated, when more violent and powerful remedies have failed in their object.
☞ Those drinking liquor only in the morning or before breakfast, would find the Brandy act delightfully on the nerves and stomach, keeping the bowels regular, &c.
☞ As a general beverage, it is pleasant to the taste, slightly exhilarating, perfectly harmless, and gives the weak and feeble a feeling of health and strength.
Read this certificate of analysis made by Theophilus N. Real, Analytical and Manufacturing Chemist, Boston:
I do hereby certify that, after a minute and careful analytical examination of the California wine and brandy, manufactured by Dr. James L. Farquar, in order to ascertain its composition and quality, I have, after various experiments, arrived at the following result: The wine is of a very agreeable taste, light color, and agreeable aroma, and consists of grape sugar 9-30, volatile oil 2-13, tonic acid 1-73, coloring matter 1-84, alcohol 9-64, water 73-10, bi-tartrate of potassia 0-97, sulphate of potassia 0-45, salt 0-84.
T. N. REAL.
It can be taken by the most delicate of either sex, and in moderation by children.
☞ Sold by all respectable Druggists and Grocers in the United States, California, and Oregon.
PRICE—$1 per bottle; six bottles for $5.
☞ CAUTION TO THE PUBLIC. ☜
In purchasing, always see that a fac simile of the signature of James L. Farquar, M. D., is pasted around the neck of the bottle.
Wholesale Agents—CROWELL & CRANE, PARK & WHITE, and REDINGTON & CO., *San Francisco.*
