It has long been a most important desideratum in the practice of medicine, to obtain a remedy similar to Utis, and accordingly we find it reserted to almost universally in all those termenting disjurious to the health. It is a tonic, sperisut, and disinfectant. It acts simultaneously upon the stomacu, the cracelatics, and the newers, and thus three processes, which are advantly the re-sult of main different kinds of medicine, are car-ried on at the same time through the instrumentality of voice one remedial agent. Its great merit is that it mosts and acutrolizes the active principle of discree itself, and when that is gone, the symptoms necessarily disappear. The ra-pidity with which the patient recovers health and strength under this triple influence is surprising.

REMARKABLE CURE. LINE COUNTY, Oregon Ter., ?

March 11, 1855. Memts, A. B. & D. Sanna, New York: Gon-Measts. A. B. & D. Saxon. New York: Con-themen,—In the spring of 1853, while on our way from Indiana to this place, our eld-st boy was seized with a sweiling and severe pains in the legs which day by day grew worse, until his legs con-tracted, and became so painful that he could a 1 walk, and we had to carry him about like an infant. We reached Albany on the 3d of October, completely worn out by fatigue. By this time, he was reduced to a perfect skeleton. Here we were enabled to constilt a physician (Dr. Hill), who honestly confessed he could not cure him, although he could give him medicine that would rethough he could give him medicine that would re-lieve the pain. In this exigency something must be done, or death was inevitable. Being recom-mended to try your Satsaparilla, I procured a bot-tle. After taking some, he appeared worse; but persevering with it. I obtained a second bottle, which seemed to grapple with the disease, and caused a marked improvement: the swelling and

pain in the legs were reduced, his appetite im-proved, and his color began to return. Thus en-couraged, I purchased a third bottle; while tak-ing it the swellings in his legs broke, and some pieces of bage one eighth of an inch long came out, after which his legs straightened and healed up. He is now perfectly r-covered has no ap-pearance of being a cripple, and can perform most kinds of common lator, as all our ne glabors can certify. Yours, respectfully, CALED DAVIS.

CALEB DAVIS.
