SANDS' SARSAPARILLA,
For Purifying the Blood,
AND FOR THE CURE OF
Scrofula, Mercurial Diseases, Rheumatism,
Cutaneous Eruptions, Stomach ulcers,
Liver complaint, Dyspepsia, Bronchitis,
Salt Rheum, Lumbago, White Swell-
ings, Hip Disease, Enlargement of
the Glands and Joints, Fever
Sores, Female Com-
plaints, Erysipelas,
Loss of Appetite,
Pimples, Itches,
General Debility,
Itchy, &c., &c.

It has long been a most important desideratum
in the practice of medicine, to obtain a remedy
similar to Iodine, and accordingly we find it resorted
to almost universally in all those tormenting dis-
eases of the skin so trying to the patience and in-
jurious to the health. It is a tonic, aperient, and
stimulant. It acts simultaneously upon the
stomach, the circulation, and the bowels, and
thus three processes, which are ordinarily the re-
sult of various delicate kinds of medicine, are car-
ried on at the same time through the instrument-
ality of your own remedial agent. Its great
merit is that it meets and neutralizes the active
principle of disease itself, and when that is gone
the symptoms necessarily disappear. The rapidity
with which the patient recovers health and
strength under this triple influence is surprising.

REMARKABLE CURE.
LANS CORSET, Oregon Ter.,
March 11, 1855. 4
Messrs A. B. & D. SANDS, New York: Gen-
tlemen.—In the spring of 1853, my child on her way
from Indiana to this place, our eldest son was
seized with a swelling and severe pain in the legs
which day by day grew worse, until his legs con-
tracted, and became so painful that he could not
walk, and we had to carry him about like an infant.
We reached Albany on the 3d of October, com-
pletely worn out by fatigue. By this time,
he was reduced to a perfect skeleton. Here we
were enabled to consult a physician (Dr. H.),
who honestly confessed he could not cure him, al-
though he could give him medicine that would re-
lieve the pain. In this exigency something must
be done, or death was inevitable. Being recom-
mended to try your Sarsaparilla, I procured a bot-
tle. After taking some, he appeared worse; but
persevering with it I obtained a second bottle,
which secured to grapple with the disease, and
caused a marked improvement; the swelling and
pain in the legs were reduced, his appetite im-
proved, and his color began to return. This en-
couraged, I purchased a third bottle; while tak-
ing it the swellings in his legs broke, and some
pieces of bone one eighth of an inch long came
out, after which his legs straightened and healed
up. He is now perfectly recovered, has no ap-
pearance of being a cripple, and can perform
most kinds of common labor, as all our neighbors
can certify. Yours, respectfully,

**FARQUAR'S
MEDICATED
CALIFORNIA
WINE & BRANDY
A DELICIOUS
TONG BITTER
JUICE OF THE
GRAPES
JUMPER RHUBARB,
PERUVIAN BARK
FOR INVALIDS**

THIS is simply the fermented juice and
the distilled juice of the California grape, judi-
ciously medicated with Peruvian Bark, turkey
rhubarb, juniper berries, and other vegetable re-
medial agents, skillfully combined, and in such
small and exact quantities as to constitute a
small or homoeopathic dose of each remedy;
which when combined form an innocuous, invari-
ably, yet active, tonic, alterative, anti-dyspeptic,
duretic, anti-bilious, and salutary beverage, pleas-
ant to the taste.

This invigorant, in calling the attention of the
public (especially the Californians who know the
excellence of the California grape) to these prepa-
rations, does so with pride and confidence;
proud in proving the excellence of our native
grape, and confident in their remedial virtues,
adapted for the following diseases:
Dyspepsia, Indigestion, Loss of Appetite, Hae-
morrhage, Constipation, Pain of the Stomach,
Stomach, Disorders of the Kidney,
Gravel, Disorders of the Urinary
Organs, Remittent and Inter-
mittent Fevers, Fever &
Ague, Nervousness,
Weakness, Debility, Dry-
ness of the Skin, or want of
Perspiration, Pains in the Stom-
ach or Bowels, Cholera, Dysentery, &c., &c.

The proprietor does not pretend that his Medi-
cated California Wine and Brandy is a "wonder
or a miracle" in medical science, and he does not
pretend to know the names of the persons who
testify to the fact that he knows of no cure of
the diseases in which this, though small in quan-
tity, will often effect a cure in some of the dis-
eases enumerated, when more violent and power-
ful remedies have failed in their object.

EP These drinks liquor only in the morning
or before breakfast, would find the Brandy ac-
ceptably in the nerves and stomach, keeping
the bowels regular, &c.

EP As a general beverage, it is pleasant to the
taste, slightly exhilarating, perfectly harmless, and
gives the weak and feeble a feeling of health and
strength.

Read this certificate of analysis made by
Thompson N. REE, Analytical and Manufacturing
Chemist, Boston:
I do hereby certify that, after a minute and
careful analytical examination of the California
wine and brandy, manufactured by Dr. James L.
Farquar, in order to ascertain its composition and
quality, I have, after various experiments, arrived
at the following result: The wine is of a very
agreeable taste, light color, and agreeable aroma,
and contains of grape sugar 9.30, volatile oil 0.13,
tonic acid 1.75, coloring matter 1.84, alcohol 9
64, water 23.19, bi-tartrate of potassa 0.97, sul-
phate of potassa 0.45, salt 0.81.

T. N. REE.
It can be taken by the most delicate of either
sex, and in moderation by children.
EP Sold by all respectable Druggists and Gro-
cers in the United States, California, and Oregon.
Price—\$1 per bottle; six bottles for \$5.
EP CARTON TO THE PUBLIC. EP

signature of James L. Farquar, M. D., is
