

FRIENDS OF THE FOREIGNER.—Democracy professes a great love for foreigners, yet while the Homestead Bill was under discussion in Congress, a Southern Democrat moved to amend it so that no foreigner should have the right to its privileges, or should arrive in the country after its passage, because he said "they would all pass the State men, and by their votes keep the free Territories of the country after its slavery out of the free Territories of the Union." This unjust provision was voted down by every Republican Senator, with the aid of Democrats like Douglas and Pugh. But it shows the hypocrisy of the Democratic professions, and that the Republican acts speak louder than Democratic words. It shows also that poor laboring men at the North must, if Democracy is triumphant, yield to decent slave holder's tyranny.

Foreigners, before you vote the pro-slavery ticket, inform yourselves thoroughly as to the position of parties. Remember Carl Shurz, one of the ablest men in the nation, is the acknowledge leader of the Republican party in Wisconsin, that with him more than twenty thousand Germans are earnestly acting, that nearly every German in the city of St. Louis is a zealous and true Republican. The same is true of Chicago, of Cincinnati, of Helena, of New York, and of Albany, why should their brethren in Oregon act differently; their interests are the same, their actions ought to be also, and will be if they only examine for themselves and not take the noisy words of locofoco politicians which are as false and hypocritical as they are noisy.

We are indebted to J. B. Knapp, Esq. of the house of Knapp, Burrell & Co. for a file of late California papers.

We learn that the Jennie Clark will know her trials between this city and Portland on Monday next.

No More Mills Burnt!

MR. BOOTH—Dear Sir: I have now in our mill one of your Centre Feed Fire-proof SMUT MACHINES, put up two weeks ago. I can say that I consider it the greatest improvement in this class of machinery that has come under my notice. The danger from fire by friction and dust, common to the one in general use, is completely obviated. The dust and dirt, heretofore so annoying to me, is now effectually retained. That part of the mill before occupied by the Smut Machine is now as clean as any part of the mill. I can say that it is the best sower of grain I ever saw. The improvement in the quality of flour will be at once discovered; in fact, the great change produced in every respect is indeed a very great one. I would say that I have had in all previous times a machine that cut the grain very much, but this does not cut a kernel, and does not require half the power. Your machine will certainly take the preference in this State, and I would say on the Pacific coast.

A. J. CHAPMAN.

W.M. MASTERS, Agent, Portland, Oregon.

To the Millers of this State:

You will never regret trying this Smut Mill. You can call and see how this cleans wheat, before purchasing. I have the only one in Oregon, at present, but they can soon be obtained. I would say that my flour has had a great reputation in the last two years, and I am satisfied by the use of this smut mill that it will still make an improvement in the flour, if any can be made.

Valuable Property for Sale.

THE CHAMPOEG FLOUR MILL.

THIS MILL, situated about three fourths of a mile from Champeog in the midst of the great grain-growing country in Oregon, is offered for sale. During high water in winter, flour, &c., can be shipped direct from the Mill. Attached to the mill is a granary for receiving and storing wheat, a dwelling-house and garden for the use of the person in charge. The whole property embraces about five acres.

The machinery of the mill is of very superior quality, having been imported from Lowell, Mass. There are two runs of the best French Burrs, and an extra patent run of smaller Burrs for chopped feed, &c. The frame-work, for strength, &c., cannot be surpassed in Oregon, and the mill in all respects is the best in the State.

For particulars, application should be made to GEO. T. ALLAN, Champog, A. McKINLAY, Champog, or to AMORY HOLBROOK, Champog, Jan. 19, 1860-41st Oregon City.

PURIFY THE BLOOD.

MOFFAT'S Vegetable Life Pills AND **PURGATIVE BITTERS.**

High and envied celebrity which these purgative Medicines have acquired for their infallible efficacy in all the diseases which they profess to cure, has rendered the usual practice of purging not only unnecessary, but unnecessary of them. They are known by their fruits, their good works testify for them, and they thrive not by the faith of the credulous.

In all cases of astheny, senile and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints—in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines will never afterwards be without them.

Dyspepsia—No person with this distressing disease should neglect using these medicines internally. Eruptions of the skin, erysipelas, flatulency, fever and ague—this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines have the system subject to a return of the disease—a cure by these medicines is permanent. THEY HEAL, DEBARRATED, AND BE CURED.

Mercurial Diseases.—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla. Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Polypus of the Heart, Piles, &c.

The Life Pills and Phoenix Bitters Purify the blood, and thus remove all disease from the system. A single trial will place the LIFE PILLS and PHOENIX BITTERS beyond the reach of competition in the estimation of every patient. Prepared by DR. WILLIAM G. MOFFAT, 235 Broadway, cor. Worth St., New York. J. FLEMING, Agent, at the Post Office, Oregon City.

A Blessed & Divine Remedy

SANGUIFEROUS NERVINE TONIC!

Read my Theory of **LIFE and DEATH,** THAT most disease prove fatal; that early death occur; that people live for years a living death, weak, insatiate, and exhausted—not from the disease itself, but from an inability in nature, and nature's strength to withstand or maintain life through the ravages of disease—Give them strength, and nature will relieve herself, if stimulated. She has given us herbs and plants to effect all this. Purify the blood, render the arteries, the liver, the heart, and all the natural functions of man or woman entire, and you have half conquered disease. Dr. JACOB WEBBER does conscientiously assure all who read this, that his Sanguiferous or Invigorating Cordial produces all the effect above described. He has seen the old, the tottering, the palsied, the nervous, the dyspeptic, the imbecile, the debauchee, and the invalid revive under its influence, as if new life were given them.

Dr. Webber's Sanguifer

acts on the blood, heart, brain, intestines, stomach, nerves, the fluids and sensibilia, and the whole physique, and

BENEFITS ALIKE

the gloomy hypochondriae, the dyspeptic, the nervous, debilitated and feeble, the over-dressed invalid, the indolent and liver-diseased sufferer, the gourmand, the debauchee, the intemperate, and all who suffer in health.

"OH HORRIBLE! OH HORRIBLE! Most Horrible!"

When worn-out nature succumbs to DEATH, because she has not strength to resist. Now, Dr. Jacob Webber's Invigorating Cordial causes strength—that is its main quality. The first operation, therefore, the purifier feels that sedation is caused—his skin is damp, his limbs supple and active, he feels a wash for exercise, and knows he has strength to endure it; he is light-spirited; his skin becomes clear; his eyes, too, because his liver is made active, the bile neutralized or ejected, and his blood thinned and purified. If he has a foul stomach, this acts as an aperient, not otherwise. Again, it immediately relieves belching, and prevents an accumulation of wind in the stomach. The stomach, the great receiver of disease and its cure. I will now enumerate a few of those diseases where I have seen Dr. Webber's Invigorating Cordial act most beautifully:

Nervousness, Weakness, Langour, Fever and Ague, Chills, Pains in the Limbs, Joints, Body, Delirium Tremens, Tremors, Constitutional Decline, (from any cause,) Debility in either sex

OR AGE,

Torpor of the Liver, Bowels,

& HABITUAL CONSTIPATION!!

It will purify the thick stagnant blood, cause a healthy action on the bowels, heart, skin, and brain, and thereby revolutionize the whole system, which has become dormant and inactive. Two thirds of human diseases are caused from some of the above organs being disorganized. Doctors may tell you that you have such and such a disease, but until medical practice becomes a science (and it is not yet), disease cannot be described to a certainty. This singular medicine gradually strengthens the system, enters at once the blood, which from stagnation is rapid, courses through the veins and the heart. Many I have seen who assured me that, three days after using it, they have felt a thrill of animation, mentally and bodily; their chest and breast was before heavy; all they ate seemed to taste there; their rest was unequalled; their appetite poor; and that this really blessed cordial removed all such symptoms; that strength of limbs, body, appetite, and spirits was given them by it, and an entire revolution in their worn-out system occurred.

The Rev. Robert Schuyler, of Petaluma, says: "For years both myself and brother have suffered so from dyspepsia, weakness of all our stomachs, indigestion and flatulency, that life at times was a burden. We have used your Cordial (Dr. Webber's Invigorating Sanguifer) four days, and feel better than we have for years."

The Appetite for Liquor Destroyed!!

ONE of the beautiful properties possessed by DR. WEBBER'S INVIGORATING CORDIAL is that it removes all longing or taste for liquor—Many inebriates have found that after it has been used, it has caused aversion to spirits. I have seen it cure some of the most frightful cases where delirium tremens had actually occurred. It Sold by all respectable Druggists in Oregon and California.

Beware of Counterfeits!—See that the names of T. JONES and J. WRENDS, M. D., are on the top of each outside wrapper, and blown in the glass of each bottle. Buy none other!
