**APPEAL AT EUGENE CITY.**—We learn that on Friday evening of last week Prof. Ryan, Principal of Columbia College, having taken umbrage at something that was published about him in the People's Press, made an assault on the editor, B. J. Pengra, Esq., firing at him with one of Colt's fire-shooters. Pengra, not liking such treatment, pitched into the Professor, knocked him down, and was proceeding to give him a severe trouncing, when the bystanders interfered.

This Ryan is Principal of Columbia College in Eugene City, and took quite an active part in the late canvass in favor of the Democratic ticket in that county, for which he was pretty severely handled by the Press. If the Directors of Columbia College wish it to prosper, they will speedily dispense with all political Professors. Take warning from the condition of the Missouri State University a few years ago. President Shannon devoted most of his time to teaching pro-slaveryism, and came near running that once noble Institution into the ground. Benton pounced down on him, and the obnoxious Professor was removed.

**THE WOUNDED MEN.**—Fred. Curley, whose left arm was shot away by the premature discharge of the cannon in this place last week, is getting along finely and will be well in a few days. The case of Mr. How, who lost his right arm, is different. He is a man well advanced in years, probably fifty-five, and at his age the process of healing is necessarily slow. He lies now in a very critical condition, as we are informed that on Thursday evening the stump of his arm had not commenced healing, although a week had elapsed since the injury took place.

By the way, the Portland Daily News made a slight mistake in saying that the accident occurred at a Republican ratification meeting. It took place at a Democratic jubilee meeting. The News will please correct. On Saturday, a subscription was started among the Democracy for the relief of the injured men, and a small sum raised. Col. Kelly, with praiseworthy liberality, contributed fifty dollars.

**JOINT SENATOR.**—We are glad to learn that Wm. Logan proposes to contest the seat of Col. Kelly in the Senate from this District, and has given notice of the taking of testimony at an early day. We learn from reliable sources that at the Cascade precinct, where Kelly had 45 majority, there are not twenty legal voters, and of these the largest portion voted against Kelly. The illegal voters came from Washington Territory. A similar state of things existed in the Walla-Walla precinct. We think there is no doubt that Logan will secure his seat by a large majority.

**THE RIVAL.** The rival steamer of Dement & Hedges, made a trial trip one day this week to a point below Oswego. We learn that everything about the boat worked to a charm. She is to be offered as follows: Geo. A. Pease, Captain; J. M. Bacon, Clerk; and H. McDermott, Engineer—all popular men.

We are informed that the Rival will make a pleasure trip to Vancouver on the Fourth, if everything is favorable. To render the trip agreeable, it will perhaps be necessary to start early in the morning, say eight o'clock. Passage free.

**SANDS SARSAPARILLA.** advertised in another column, is said to be peculiarly beneficial to expel morbid humors, Struoms and Scrofulous, to prevent the disfigurement of pustules, pimples, and other eruptions upon the skin. There are many persons who need such a remedy. Why should they neglect to avail themselves of it?

**SALEM.**—The citizens of Salem are making extensive arrangements for celebrating the Fourth in that place. There will be a procession, an oration, and a display of fireworks. Prof. Newell's Floral Concert will take place in the afternoon. A rich treat is offered.

**WE learn that James Winston,** Esq., County Clerk elect of this county, was severely injured by a vicious cow at Mr. Nohora's near Clackamas bridge, on Thursday afternoon last. The wounds, though severe, are not dangerous.

**WATER WORKS.**—Pipe has been laid from the cisterns on Main Street, so as to connect with the hydraulic ram at Mr. Harvey's mill. By this means, the cisterns are kept filled with water, and a beautiful jet thrown up in front of Milwain's Store.

**EXECUTED.**—Philip George, convicted of murder, was hung at Corvallis, on Friday, June 22. The Union says a large number of persons were in attendance, great many of whom were women and children.

**THE FOURTH.**—The band of Hope intend having a picnic near town somewhere on the Fourth. We suppose there will be no other public recognition of the day in Oregon City.

**THE bell for the Congregational Church** in this city arrived this week, and has been hung up in the belfry. It weighs 715 pounds, and has a fine tone.

**THE Republicans of Yamhill** intend having a grand ratification meeting at Lafayette to-day.

**IMPROVEMENT.**—Work has been commenced on Main Street, between Seventh and Eighth.

**DELINQUENT.**—E. M. Hall, Harrisburg (Thurston) P. O., Linn county, owes this office \$14 for subscription.

**THEodore Parker** died at Florence, Italy on the 11th of May.

**OREGON CITY MARKET.**—Wheat, \$0 75; flour, \$5 a \$6; potatoes, 25c; oats, 15c; butter, 25c; bacon, 12a 15c; eggs, 20c.

**Island Mill Flour.**  
THOSE who wish to get the GENUINE ISLAND MILL FLOUR, will please call at the Mill, at Charman & Warner's, Oregon City, or at Allen & Lewis's, Portland, as the second-hand Mill sacks have been bought up by certain individuals, and refilled with inferior flour. A. J. CHAPMAN. Island Mill, July 30, 1859. 191

"I can administer to a mind (and body) diseased, And with a sweet oblivious antidote Cleanse the foul system of its perilous stuff!" —Shakspeare.

**A Blessed & Divine Remedy**  
SANGUIFEROUS NERVE TONIC:  
Read my Theory of LIFE and DEATH,

THAT most diseases prove fatal; that early death occurs; that people live for years a living death, weak, inanimate, and exhausted—not from the disease itself, but from an inability in nature, and nature's strength to withstand or maintain life through the ravages of disease—Give them strength, and nature will relieve herself. If stimulated. She has given us herbs and plants to effect all this. Purify the blood, render the intestines, the liver, the heart, and all the natural functions of man or woman active, and you have half conquered disease. Dr. JACOB WEBBER does conscientiously assure all who read this, that his Sanguiferous or Invigorating Cordial produces all the effect above described. He has seen the old, the tottering, the palsied, the nervous, the dyspeptic, the inebriate, the debaucher, and the invalid revive under its influence, as if new life were given them.

**Dr. Webber's Sanguifer**  
acts on the blood, heart, brain, intestines, sinews, nerves, the fluids and semi-fluids, and the whole physique, and BENEFITS ALIKE the gloomy hypochondriac, the dyspeptic, the nervous debilitated and feeble, the over-dosed invalid, the bilious and liver-diseased sufferer, the gouty, the debilitated, the intemperate, and all who suffer ill health.

"OH HORRIBLE! OH HORRIBLE! Most Horrible!!!"  
When worn-out nature succumbs to DEATH, because she has not strength to resist. Now, Dr. Jacob Webber's Invigorating Cordial causes strength—that is its main quality. The first operation, Tonic; the patient feels that animation is caused—his skin is damp, his limbs supple and active, he feels a wish for exercise, and knows he has strength to endure it; he is light-spirited; his skin becomes clear; his eyes, too, because his liver is made active, the bile neutralized or ejected, and his blood thinned and purified. If he has a foul stomach, this acts as an aperient, not otherwise. Again, it immediately relieves belching, and prevents an accumulation of wind in the stomach. The stomach, the great receiver of disease and its cure. I will now enumerate a few of those diseases which I have seen Dr. Webber's Invigorating Cordial act most beautifully:

Nervousness, Weakness, Languor, Fever and Ague, Chills, Pains in the Limbs, Joints, Body, Delirium Tremens, Tremors, Constitutional Decline, (from any cause,) Debility in either sex or age, Torpor of the Liver, Bowels, & HABITUAL CONSTIPATION!!

This will purify the thick stagnant blood, cause a healthy action on the bowels, heart, skin, and brain, and thereby revolutionize the whole system, which has become dormant and inactive. Two thirds of human diseases are caused from some of the above organs being disorganized. Doctors may tell you that you have such and such a disease, but until medical practice becomes a science (and it is not yet), disease cannot be described to a certainty. This singular medicine gradually strengthens the system, enters at once the blood, which from sluggishness is rapid, courses through the veins and the heart. Many I have seen who assumed me that, three days after using it, they have felt a thrill of animation, mentally and bodily; their chest and breast was before heavy; all they ate seemed to settle there; their rest was unquiet; their appetite poor; and that this really blessed cordial removed all such symptoms; that strength of limbs, body, appetite, and spirits was given them by it, and an entire revolution in their worn-out system occurred.

The Rev. Robert Schuyler, of Petaluma, says: "For years both myself and brother have suffered so from dyspepsia, weakness of, and sour stomach, indigestion and flatulence, that life at times was a burden. We have used your Cordial (Dr. Webber's Invigorating Sanguifer) four days, and feel better than we have for years."

**Inebriates and Drunkards! READ!!**  
The Appetite for Liquor Destroyed!  
ONE of the beautiful properties possessed by DR. WEBBER'S INVIGORATING CORDIAL is that it removes all longing or taste for liquor—Many inebriates have found that after it has renewed and strengthened them, quitted their nerves, it has caused aversion to spirits. I have seen it cure some of the most frightful cases where delirium tremens had actually occurred. It sold by all respectable Druggists in Oregon and California.

**No More Mills Burnt!**  
MR. BOOTH—DEAR SIR: I have now in our Mill one of your Centre Feed Fire-proof SMUT MACHINES, put up two weeks ago—I can say that I consider it the greatest improvement in this class of machinery that has come under my notice. The danger from fire by friction and dust, common to the one in general use, is completely obviated. The dust and dirt, heretofore so annoying to me, is now effectually remedied. That part of the mill before occupied by the Smut Machine is now as clean as any part of the mill. I can say that it is the best smut-er of grain I ever saw. The improvement in the quality of flour will be at once discovered; in fact, the great change produced in every respect is indeed a very great one. I would say that I have had in mill previous to this a machine that cut the grain very much, but this does not cut a kernel, and does not require half the power. Your machine will certainly take the preference in this State, and I would say on the Pacific coast.

A. J. CHAPMAN, ISLAND MILLS, Oregon City, May 24, 1860. WM. MASTERS, Agent, Portland, Oregon.

**To the Millers of this State:**  
You will never regret trying this Smut Mill.—You can call and see how this cleans wheat, before purchasing. I have the only one in Oregon, at present, but they can soon be obtained. I could say that my flour has had a great reputation in the last two years, and I am satisfied by the use of this smut mill that it will still make an improvement in the flour, if any can be made. A. J. CHAPMAN. Oregon City, May 26, 1860. 71f
